# 2000 - 2020 YEAR ANNIVERSARY

*I can hardly believe that 20 years has come and gone! When a couple starts a business while dating and finishing their degrees at USD, their success rate would seem to suggest not-so-much success. But I had a stellar partner! He could see the future, he believed in himself and he believed in us. I'm grateful for that! It saddens me to my core that Greg is not here to celebrate Valley Ag Supply's 20<sup>th</sup> anniversary. He would have been so proud. That being said, I do believe he is proud of us, and I am MOST definitely proud of our 20 years. We celebrated our 10<sup>th</sup> and 15<sup>th</sup> anniversaries with our customers. I loved those parties, they were full of music, fun, and plenty of Crown. But on this anniversary I'm not ready to celebrate Valley Ag Supply's 20<sup>th</sup> year without my partner. In lieu of a party, I hope you'll accept this card as my sincere appreciation for your business. I have been humbled beyond measure at the support from our customers and crew. My crew and I will celebrate 20 years at a later date. To be clear, Valley Ag Supply will continue to grow and thrive in the years to come. There's an incredible team of men and women who will continue to support our customers. Rest assured, I'm not going anywhere. Valley Ag Supply will remain independent and I intend to run it for another 20 years!*

*Again, thank you for your business.  
Sincerely,  
Tara Pirak*
