“Where Everybody Is Somebody”

April 2019

Dear Parents/Guardians,

Attached you will find the B6T transportation application for the upcoming **2019-2020** school year. Please note that this may **NOT** be for your child to be bused to school. In lieu of transportation, certain approved districts will refund parents for driving students to school or provide transportation. It depends on the district and their policies. You must complete the B6T application just in case policies change over the summer.

The State of New Jersey requires that **ALL** students attending a non-public school complete this form. This form must be completed in order to receive a transportation reimbursement or transportation if approved by your district. **If this application is not completed by the start of the Academic Year 2019-2020, you will be responsible for submitting the form to your board of education.**

Please return the completed form to the school office by Monday, August 26, 2019.

If you have any questions, please feel free to contact me.

Sincerely,

Dr. Anika Logan, Principal
