**Water Well Drilling Permit Application**

**INSTRUCTIONS:** The District's rules require a Drilling Permit for drilling, re-working, re-drilling, or re-equipping any nonexempt well. Please fill out a separate application form for each well to be drilled and submit the application to the District at the above address, along with any fee required by the District.

**APPLICANT'S INFORMATION:** Please provide the information requested below. If the Applicant is more than one individual with different residences, attach a separate sheet with a description of each individual's respective interests in the well or well system, listing the names and addresses, and designating a contact person. If the Applicant is a corporation or other business entity, state its name and address below and attach written documentation that the Authorized Representative, whose name should be provided below, is authorized to represent the Applicant. If the Applicant is other than the owner of the property on which the well or well system will be located and the groundwater rights, provide the name and mailing address of the owner of the groundwater and property rights and provide documentation establishing the applicable authority to drill and operate the well(s) for the proposed use.

**Drilling Permit Term:** This Drilling Permit is effective for 120 (one hundred twenty) calendar days after the date the District issues the permit. If each well is not drilled or if each existing well is not properly completed to meet all statutory and regulatory requirements for the intended purpose of use within the 120-day drilling period, the Drilling Permit expires. The General Manager may extend the Drilling Permit term beyond 120 days, if requested and good cause is shown.

**Operating Permit:** Immediately upon completion of a new water well, or reworking or re-equipping an existing water well, a completed Operating Permit Application must be filed with the District. An Operating Permit will not be renewed unless the well has been drilled at the time of renewal.

**Declaration:** I agree that reasonable diligence will be used to protect groundwater quality. I agree that the water withdrawn from the drilled well will be put to beneficial, nonwasteful use at all times. I agree to comply with the rules of the District, all groundwater use permit terms and conditions and plans promulgated pursuant to the District's Rules, Management Plan, and orders of the District's Board of Directors. I agree to comply with the District's well capping and plugging guidelines and to report any well closure to the Texas Commission on Environmental Quality. Furthermore, I agree not to produce groundwater from this well without a valid Operating Permit.

**I hereby certify that the information contained herein is true and correct to the best of my knowledge and belief.**
