Hi Scott,

Congratulations on making the smart decision to upgrade your SiteBuilder account.

Today you have purchased our Pro Plan - 24 Months Plan at an introductory discount, your amount paid today is: \$119.81. If you have chosen the wrong plan or do not recognise the charge, don't worry, it can easily be sorted out by contacting us: <http://support.sitebuilder.com>.

Please note, our products automatically renew at standard rates, using the payment method you provided today unless you choose to cancel. If you purchased other products, they may appear on your credit card as separate charges. All charges will show on your bank statement as WZU*sitebuilder.com.

We've designed our software to be super-simple to use, but if for any reason you encounter any issues with using the service, we are here to help. If you experience any technical problems, please contact support@sitebuilder.com. If you wish to cancel your services or have any questions about your account please contact billing@sitebuilder.com, we are here to help 24/7. Please add our email addresses to your address book and ensure you check all inbox folders for our replies, including SPAM.

Hi Scott,

Congratulations on making the smart decision to design with SiteBuilder.com.

Today you have purchased our eCommerce Plan Plan at an introductory discount, your amount paid today is: \$336.6. If you have chosen the wrong plan or do not recognise the charge, don't worry, it can easily be sorted out by contacting us: <http://support.sitebuilder.com>.

Please note, our products automatically renew at standard rates, using the payment method you provided today unless you choose to cancel. If you purchased other products, they may appear on your credit card as separate charges. All charges will show on your bank statement as WZU*sitebuilder.com.

To add your eCommerce store to your website login on <http://login.sitebuilder.com> and go in to edit the website you have upgraded to eCommerce. Once logged in, click 'Add' in the sidebar, click eCommerce > Store, now you need to define if you want to add the store to the current page or to create a new page for it specifically. Your store will be added to the page and populated with content, to add your own content click 'Manage Store' in the tools palette. This will take you over to our eCommerce partner's website, eCwid. Here you can customize what products you want to show in your store, how much they are, how payments work and and much more!
