Annual Community Meeting

Oct. 17th, 2016

Thank you to everyone who attended the annual meeting. The **Director of Communications for the North Olmsted School Board, Vera Brewer**, was our guest speaker.

Ms. Brewer gave an update on the new Middle School/High School project and showed a current walk-through video of the inside progress being made. The **new, modern, state-of-the-art school is scheduled to open at the start of the 2018/2019 school year** next August. Construction is on schedule and on budget. Clearly, those families looking to relocate can now consider the new schools of North Olmsted as a valuable benefit to living here.

Help Wanted!

Want to contribute to the beauty of our community?

Our neighborhood street signs are custom made and not maintained by the city. We need helpers this coming spring to paint a few of them.

Want to offer help working with your hands?

We also plan to install new tops on several of the signs this coming spring and could use a few young, strong, helpers. The tops are built, and we just need to lift them up and install them. Our current

volunteers/engineers are getting up in years and we really need some younger, stronger helpers.

If you would like to offer a bit of your time to help with the beautification of our neighborhood this spring, please contact our board president at 440-734-7439 or email him at: duanelimpert@aol.com

You will not be working alone and Duane will coordinate with you to find dates and times that work for everyone.

SAVE THE DATE – Easter / Spring Celebration!

Easter Sunday is April 1, 2018. The West Park Forest Ridge Civic Association will hold our annual neighborhood Easter/Spring Party on **Tuesday, March 27**. Make a note. It seems like a long way off but it will be here before you know it. Details coming in future news letters.

Don't forget to patronize our area businesses.
