# Annual Community Meeting

The things that make our developments unique are not funded by the city and without a community board, plain and simple, will deteriorate, disappear, and contribute to lowering property values.

## Why Should I Attend?

The Annual Meeting is open to everyone in residence in the West Park-Forest Ridge developments and it's the primary meeting of the year. Here are the main topics for the meeting.

- Voting on Board Member Officers for 2020
- Annual update to residents on events & beautification projects
- Appreciation to volunteers throughout the year
- North Olmsted City update
- Networking opportunities to promote your business
- Opportunity to be involved in your community

## Why Should I Become A Board Member?

To help with oversight as to what happens in our community and to participate in keeping our development's unique aspects funded, clean, working properly, and up to date.

Participation on the Board is open to anyone in residence for at least one year. The Board structure is simple; there are four Officer positions (candidates are elected), and nine Trustee positions.
