

WELCOME

Dear Potential Youth Ministry Junior Core Member,

I'm glad that you are interested in serving in our youth ministry! I believe that solid ministry is built on relationships between adult volunteers and teens, with that being said having peers that were recently in the teens position will enhance these interactions. Relationships are key to teens feeling loved and accepted so that they can understand the love of God in practical ways. This is when real spiritual growth takes place in a teen's life.

Youth Ministry requires a substantial team of volunteers working at all levels – from Core members who lead small groups to support positions who setup environments and serve food. The challenge of our Youth Ministry is to access the wealth and diversity of resources within our parish so as to provide a meaningful and effective faith formation program for younger and older adolescents which engages their energy, imagination, curiosity, compassion and playful spirit in an exploration and engagement of our Catholic faith.

Thus, the quality of our youth ministry volunteers is very important. I am looking for young men and women who have made a commitment to Christ and a desire to continue their journey in enhancing their faith. With the aid of prayer and consideration, read the enclosed materials. Because I place a great value on this ministry, I place a great value on our Junior Core. Once I have your application, I will schedule a meeting with you. All the information will be kept strictly confidential. Youth ministry is a great way to give of your time and serve the Lord. I'm looking forward to meeting with you and spending some time talking about your hopes and desires for ministry. If you have any need to reach me, please feel free to call.

God Bless,

Iliani Perez
