## OUR COMPANY

Amphora Kitchen Equipment, is a leading commercial kitchen equipment specialist. With many years of experience in the food services industry, we have established ourselves as a trusted provider of quality products and are fast becoming one of the most recognisable brands in the industry.

Our success is the result of the hard work put in by our highly motivated and efficient team of professionals who are committed to provide our customers with the best support and after sales services.

With vast experience in handling a diverse clientele, we are confident in delivering customised solutions that meet each client's objectives effectively and efficiently. Our clients included hotels, prestigious membership clubs, restaurants, cafes, hospitals, schools and quick-service food chains. In addition, we have served many satisfied customers in the marine and shipping sector.

We carry a wide range of quality kitchen equipment that caters to every customer's requirements and fulfil their operational needs.

We will take every necessary step to keep our customer satisfaction to the highest level with uncompromised quality.

# OUR DESIGN

We provide consultation to design and create an efficient kitchen for our clients. Our team of professionals would advise you on the appropriate equipment selection and provide the kitchen layout or 3D design to ensure that the equipment are well placed in the kitchen.

In addition, our experience kitchen designers would also provide the mechanical, electrical (M&E) and plumbing services drawings to your contractor to facilitate the smooth coordination and completion of project.
