

WEDDING AND EVENT CONTRACT

Deposit and Payments

There is a \$200 non-refundable deposit required to hold the date of your event.
Final Payment in full is due no later than two weeks prior to the date of your event.

Additions and Changes

Sweet Pea's Floral orders your flowers special two weeks prior to the date of the event. You may change your order as much as you'd like up until that two week point. If a change needs to be made within the two week period, no refunds will be given. The amount of the refund would then go towards something else in your event. If your balance is not paid at the two week mark, you may add on, but may not deduct from your order.

Delivery & Set-up

We will establish a timeline for delivery two weeks prior to your event. If you need to change delivery timing within the two weeks, we will try our best to accommodate your request, but we cannot guarantee it.

Rental Equipment

If you are renting property of Sweet Pea's Floral, you are responsible for returning those items to Sweet Pea's Floral within four business days of the event. We are not open on Sundays. If you choose to have our assistance with picking up rental pieces, it is an additional fee and it will be noted in your confirmation. We do our best to work with venues on timing.

Quality and Sustainability

Purchaser acknowledges that fresh cut flowers are a perishable product. Extreme hot and extreme cold temperatures are detrimental to the life of flowers. We do our best to work with the seasonality of flowers and temperatures, however, we are not responsible for damage to flowers in these conditions. We use high quality, fresh flowers. Sweet Pea's Floral has the right to substitute flowers if need be, keeping with the same look and feel of your wedding.

I/We agree to the terms and conditions of this agreement.
