

GUYS POCKET COIN

"Pockets" babies are already making their mark. The first two to the Pen both are 1D horses. They were impressive enough that we've gotten a ton of feedback on them.

He's got plenty more coming up the ranks and by the all accounts they're going to stars. Looks and temperaments are outstanding!

Pockets may well be one our great stallions standing one day. Breed to him early in his career and be one of those folks that knew "First" what a great stallion he is!
