

PAN-IIT ALUMNI ASSOCIATION · MIDWEST CHAPTER

Block the *date*

We're back — the Midwest seminar & knowledge-sharing series returns.

Kickoff event of the brand-new season

DATE

Sun, Sept 20th, 2026

TIME

10:30 am onwards

VENUE

India National Hub,
Schaumburg

SESSION THEME

Water, the *elixir of life*

SPEAKER 01 · NASA

Eyes on Earth's water

Remote sensing of hydrological features, including groundwater, using a constellation of NASA-ISRO Earth observation satellites.

SPEAKER 02 · AI & HYDROLOGY

AI in hydrology

How artificial intelligence is transforming water science today, with examples drawn from the US Midwest.

In the spirit of Engineers' Day (Sept 15) — honoring Sir M. Visvesvaraya, who devoted his life to harnessing the Indian subcontinent's water resources.

Annual General Body Meeting

Share your input as we shape programming for the year ahead.

Networking mixer

Food & chai to energize the conversation.
