

Job Description

Remedial Massage Therapist

We are seeking a skilled Remedial Massage Therapist to join our team on a subcontract basis. You will be required to perform therapeutic treatments including but not limited to remedial massage, dry needling, relaxation massage, sports massage, deep tissue massage. Any additional modalities like the hot stone, reflexology, facial massage, cupping therapy, trigger point therapy, pregnancy massage and lymphatic drainage massage are an advantage.

You will be professional, enthusiastic and someone who gains great satisfaction from helping people. As a team player and a dedicated practitioner, you will work with the clients to develop the best individualised treatment plan. Being passionate about customer service is a must. We are looking for individuals with whom we can develop a long-term professional relationship.

You must be eager to promote and market yourself within our current client base and continue to develop and grow on this client base and create a successful practice while upholding the values of Jack Willows Health & Wellness Centre.

Must have:

- Minimum Diploma of Remedial Massage
- Qualify to hold health provider numbers with all significant health funds.
- Hold professional Indemnity and public liability insurance.
- Apply First Aid level 2
- Current ABN
- Computer literate – JW uses an online booking system; you must have knowledge of social media platforms & possess effective marketing skills.
- You must be competent in light administrative duties such as processing payments, booking appointments, answering and following up on telephone calls.

To apply for this position please send a:

1. Cover letter
2. Current Resume including referees.
