NOTE:

This summarized decision is being posted as the Parties have received it. Occasional requests for clarification are not posted. However, should any Stakeholder requests it, a copy of such clarification will be sent to her/him.

Decision:

This case was about a terminated Agent.

After suspension, due to earlier irregularities and whilst examining the "Agency Status Form", IATA discovered that **Screen World** had a change of ownership (4% of the shares) not duly communicated to IATA as required by Resolution 818g § 10.2.2.

The Applicant wanted to have the "Notice of Termination" ("NoT") expunged from its records, explaining the reasons behind his request. Best of my understanding, the IATA Accreditation is mainly needed as part of the necessary requirements by the Saudi Authorities to conduct "*Hajj and Umrah*" tours.

IATA and this Office concluded that there is no risk for prejudiced collection of Member Airlines' funds and the Applicant was temporarily reinstated.

Having considered all relevant statements and Resolutions, mainly considering the reasons behind the 4% change, and that the change "*does not impact the Agents' accreditation status*" (Reso 818g § 10.1 nor does it transfers: <<*control of the Agent to a Person in whom it was not previously vested...>>, I have decided as follows:*

- IATA has followed Resolutions requirements

Screen World Tour, after:

- a) Having met all requirements for reinstatement;
- b) Having been invoiced and paid an Administrative recovery fee of US \$ 500
- c) **Shall be permanently reinstated in to the BSP system**

This Decision is effective as of today.
