NOTE:

This summarized decision is being posted as the Parties have received it. Occasional requests for clarification are not posted. However, should any Stakeholder requests it, a copy of such clarification will be sent to her/him.

Considerations and Decision

CIC Event Congress AS was defaulted on Friday afternoon 01 December 2017 due to a second one (1) day late payment within the last 12 months.

ALL reinstatement requirements, including settlement of all outstanding debts and also subsequent sales were met within one (1) business day.

A soft copy of a valid new financial security ("BG") of 586,000 NOK, dated **07 December 2017** with a minimum validity of 3 years, was emailed to IATA on 07 December, according to the evidence on file.

This Office has previously determined that a soft copy of a BG and proof of dispatch, **unless IATA has grounds to believe that these documents might be fraudulent**, has to be accepted as proof of compliance.

In this case the documents, unfortunately, were sent directly from the bank without proof of dispatch. As an exception, a verbal contact between this Office and the bank confirmed authenticity and regular mail dispatch of the BG. Consequently **it is hereby decided:**

- IATA has acted according to Resolutions
- The Applicant has fulfilled all reinstatement requirements, including a valid BG

- **The Applicant shall be reinstated without further delay.**

This Decision is effective as of today.
