To Whom It May Concern:

On Friday, May 11, 2018, the Half Hollow Hills Special Education PTA will be hosting our most important fund-raising event of the year – The Night of Shining Stars.

Proceeds from this fund-raiser will directly benefit the children and families of the Half Hollow Hills special needs community. HHH SEPTA is an organizational structure providing resources and the opportunity to be a collective voice for all special needs children. Some of SEPTA's goals are to provide information, education and support for special needs families, a place to meet and learn from other special needs families in the district, educate about special needs issues, a place for educators and parents to exchange information and advocate for success. One of our most important goals for the evening is to raise funds to provide a scholarship for special needs students to help continue their education.

We are hoping to receive your help in making our evening truly magical. Throughout the night, our guests will be given the opportunity to purchase raffle tickets for various baskets. All proceeds from this event will help support programs and the SEPTA Scholarship Fund.

A donation of item(s), gifts, monetary donations or gift certificates to be used for the above purpose would be greatly appreciated. In recognition of your donation, your name will be prominently displayed in all our literature, advertisements, website and program for all of our guests to see and acknowledge. We also encourage our members to frequent the establishments displayed in our literature. We are a 501c3 so any donation is tax deductible (please contact us if you need a receipt).

If you need any further information please feel free to contact us at the address, phone, or e-mail address below. If you are mailing in a donation if you could please send it to the address below to our attention we would greatly appreciate it.

Thank you in advance for your generosity. Your support will ensure that our children will be given every opportunity and support they need to help them succeed.

THANK YOU!

Very truly yours,

*Tina Shek*
