DETAILS

We have many talented students who'd like to participate in this event. Therefore, each student will be limited to one 90 second performance. If there is a song you will be performing to, please indicate it on the form. To ensure originality, your requested song will be accepted on a first come, first serve basis. We will contact you if your song has already been chosen, so you can pick an alternative.

SUGGESTED DONATION

Baskets will be raffled after the show as Fundraiser. We are also asking all performers to donate a basket or \$10 that will go toward creating a basket. It is because of wonderful events and fundraisers like this, that we are able to provide such an enriched Arts in Education program for the children of Otsego Elementary School.
