BABY BALLET OF LONG ISLAND:

Mommy and Me: Through fun filled ballet exercises, this 30 minute class will have your dancer pointing their toes, learning their left and right, demi plies and tip toe-ing out of the door. We'll be shaking maracas, running with scarves and singing some new great songs! Oh and Mommies, be prepared to join in too!

Advanced Class: It's time to learn some of the 'Grown Up' stuff! This class will teach your dancer the ballet basics. On the list? Positions of the arms, positions of the feet, balancing and jumps through lots of singing, imagery, props and a mixture of classical and new music. Use of ballet terms in both English and French are also used.

Pre-K: At this level students begin to learn the structure of a traditional ballet class. Exercises encourage concentration, observation and self-confidence. We begin to focus on technique and learning the ballet fundamentals while keeping the 'fun' Baby Ballet Long Island is known for. This class is Drop Off and is the next level from our 'Advanced Toddler' class. No prior experience required.

Mini Movers: Join us for a "KIDS BOP" DANCY PARTY! Using today's hit songs to teach tons of different styles of dance – hip hop, jazz, and square dancing too, Baby Ballet will keep boys and girls moving and having FUN! Each class will feature a different style or theme and will end with a "freestyle disco" including lots of stimulating extra lights, glow in the dark sticks, instruments, and of course, a great showcase for all the cool dance moves learned! This is sure to be new, exciting and fun for kids and adults too!
