

## From the Commodore

From the Commodore:

Can you believe that the first month of January is already over and February is here? It will be spring and time to prepare for the sailing and racing season before you know it. I spoke to Larry Goolsby briefly at the Commodore's Ball and he has agreed to help ramp up the Catalina 22 Fleet and hopefully be at the club more this year. Randy Rutledge has offered to help with the Race Committee. If we can get him and Morgan away from "Shakedown" for a race or two maybe some of the other boats on the cruiser fleet can win some trophies. 😊

Speaking of the Commodore's Ball, I had a great time and hope you did as well. The food seemed better than last year, the band was excellent and you looked great in your formal wear. Special thanks to all that helped set up and clean up afterwards.

I am looking forward to longer and warmer days as spring arrives and hope to see you all at the club.

Your Commodore,  
*Bill Hold*

## From the Vice Commodore

I would like to express my thanks to everyone who participated in the planning, setting up, attending, and cleaning up for the Commodores Ball. It is **YOU** that made this year's Commodores Ball the success it was. If you missed out on the experience, mark your calendars and plan on attending next year. It is sure to be another good time.

The club has contacted the Coast Guard auxiliary about obtaining details on having them come out and perform boat inspections and also performing a Nationally recognized boater safety course. The boat inspection would be at no cost, as long as we allow them to do a presentation about the boater safety course. They do charge a fee for the Nationally recognized boater safety course, though we may be able to get a reduced fee depending on how many members may be interested. There will be a sign up sheet posted at the club house for both the boat inspection and the boaters safety course. More info will follow if there is an interest among members.

Nautical Saying of the Month:

**If one does not know to which port one is sailing, no wind is favorable.**  
*-Seneca*

Your Vice Commodore,  
*Malcolm Newbold*

**From the Purser**

The 2020 Membership Dues are due now. Please remit your payment now and thank you to all who have paid their dues.

Power to "A" dock has not been installed as promised by Waits Electric Company. We have cancelled the contract and will install power ourselves. Please come and help when the special work party has been announced. Randy Rutledge, Bryon and Maclomb are spearheading this project.

Marvin Czentnar*

**From the Yeoman**

The Commodores Ball was a huge success! It was great to see those of you who could attend and enjoy an evening together! Below are some photos from the night taken by Rebecca Segrest. I have included more on our RSC website.

As always, if you have anything you want to share with the RSC members, send me an email with the information and I will include it in the newsletter.

# Classifieds

## □ Want to replace your old dock lines?

I have old life safety rope for sale. \$2 for 10 meter / 33 foot length. This rope has reached the end of its lifespan as a life safety rope, but still has life left. Two types available, 11mm (7/16") Nylon and Polyester. Not good for a line, sheet, or halyard on a boat, but would make a great dockline.

Contact:

Glenn

423-838-4377

## □ Many boats are for sale at the marina, take a walk down the docks to see which ones are available
