Winter 2025

Dear Friend of WCWMS,

Since our club's inception in 2016, the West Chester Women's Multisport, LLC (WCWMS) mission remains empowering women to set, work towards and attain personal fitness goals. No matter a woman's starting point, we strive to offer opportunities to help women achieve personal bests. We are now a club with over 100 members **STRONG!**

2024 started with WCWMS My Resolution program, giving members an incentive to make meaningful lifestyle changes, schedule health checks, create good karma and simply get active! We have calendared numerous group runs, bike rides and swims in addition to social meet ups. Giving back to the community remains a WCWMS club focus. We collectively volunteered during a Night To Shine event as well as a Camp Abilities event at West Chester University. Our monthly 5\$5Ks have continued throughout the year, raising over \$800 in proceeds to benefit member chosen charities.

Now going into our tenth year, we remain dedicated to amplifying our focus on what we believe matters most for our club's success: our members and supporters. Supporters are always encouraged to host events, offer promotions and communicate with our member base. Attached is a form detailing the supporter levels and benefits available this year. With financial contributions, we are able to defer the costs associated with many club offerings and activities. In-kind donations are used as raffle items and prizes for member participation in various activities during the winter, spring and summer months.

Supporter registration forms will be accepted throughout the entire year.

Please feel free to contact us with any questions at info@wcwms.com. In the meantime, thank you for your time and consideration.

Warmly,

Samantha Bowman & Melissa Slifer
