Invitation from the Conference Convenors

Soils2018 will be held in Napier from 3 to 6 December 2018. On behalf of the Organising Committee we would like to invite you to attend the conference, as a sponsor and/or exhibitor, where you will have unique access to promote your company and market your brand to influential stakeholders in the Soil Science industry. This biennial conference is a must attend event organised by the NZ Soil Science Society and OnCue Conferences, and will cover a diverse range of topics under the theme ‘diverse soils - productive landscapes’. The wider Hawke’s Bay region is home to a diverse mix of primary production, from forestry and sheep and beef production on the coastal and northern hill country, intensive dairy systems on the flat and rolling terraces abutting the Ruahine ranges, to highly productive horticulture and cropping on the fertile Heretaunga and Ruataniwha plains. During the 4-day conference you’ll get a chance to hear from a wide range of researchers, industry leaders, consultants and advisors, regulators and land managers on all things soils related, anchored by a range of exciting keynotes focused on soilscape, food production and hot topics around water use and environmental indicators. The conference will be held at the new Napier War Memorial Conference Centre, a great venue on Napier’s iconic Marine Parade that looks out on Cape Kidnappers and the city coastline. Centrally located, the NWMCC is across the road from local hotels, restaurants and the downtown shopping precinct. Around the conference you’ll have a great chance to connect with your colleagues during a range of social activities at some of the Bay’s well known wineries, and look at a wide range of offerings from our event sponsors.

This Proposal outlines various levels of involvement to suit every budget and marketing objective, we encourage you to explore the benefits of participating as a sponsor and/or exhibitor. If there are other ways in which you would like to participate, the Conference Managers would be happy to discuss these with you.

Rebecca Withnall and Paul Johnstone, co-convenors

Location

Napier is one of New Zealand’s most attractive cities, located at the heart of the Hawkes Bay, close to Hastings and Havelock North. Palm trees line the inner-city streets and the wonderfully sculpted Marine Parade, as the name suggests, runs along the shore of the city. Along Marine Parade various parks, gardens and memorials give the water’s edge its distinct character, and you’ll also find the i-SITE Visitor Centre and various local attractions.

Known as the Art Deco City, Napier has the most comprehensive collection of inner-city art deco buildings in the world. Every February, thousands of people flock to Napier to celebrate the Art Deco Weekend Summer Festival, sending the township back to a time of new hope. The Festival celebrates the reconstruction of Napier City after a devastating earthquake in 1931. Music, performers, dancing in the street; trains, planes and automobiles; picnics, galas and frivolity in true vintage style bring the 1930s back to life.
