On behalf of the Organising Committee for the 2016 Ecology & Restoration, Australasia conference (ERA 2016), we would like to invite you to attend the Conference as a sponsor, where you will have unique access to promote your company and market your brand to influential stakeholders in the Ecological industry.

ERA 2016 is the first joint conference of the Society for Ecological Restoration Australasia & the New Zealand Ecological Society. This conference promises to be an unforgettable event that will bring together over 500 delegates, who represent all levels of government, universities, students, researchers, contractors, suppliers and consultants.

The theme of the Conference is "Restoring resilience across all environments". Over 3 days, Conference delegates will hear from leading experts in Ecology and will include concurrent oral papers and poster presentations which form a major part of the conference programme.

This Proposal outlines various levels of involvement to suit every budget and marketing objective, we encourage you to explore the benefits of participating as a sponsor. If there are other ways in which you would like to participate, the Conference Managers would be happy to discuss these with you.

We look forward to seeing you in Hamilton in November 2016.
