

*February 2018*

Dear Friends,

We were so excited to share earlier this month about Rebekah and I having the opportunity to adopt a baby in March in the U.S. Although we will miss being here in India, learning the language and being part of the ministry, we are looking forward to getting to see our daughter soon. Please be praying for us as this process continues and that we can return to India has soon as possible.

In January, we were able to travel to Nagaland, North East, India for a youth conference where Bro. Jim Roberts was invited to preach. Years ago, American missionaries arrived in Nagaland and today there are hundreds, if not thousands, of Baptist churches all throughout North East India as a result. Please pray that we can see God do this same thing again in Delhi and all across North India.

Rebekah and I were able to attend a wedding of a family member of one of our friends from church. Please pray that we can see many more in this family come to know Christ.

### Prayer Requests:

- **Discipleship:** We are praying that the Lord gives us some people to disciple soon.
- **Language School:** Pray for us as we continue learning the language.
- **Wisdom:** Pray that the Lord give us wisdom in the days ahead as we continue to serve Him in India.
- **Adoption:** Paperwork, parenting, and a quick return to India.

Yours to India,  
Eric & Rebekah Elrod
