

Please Pray For

Brother Jack Stewart

Field Director

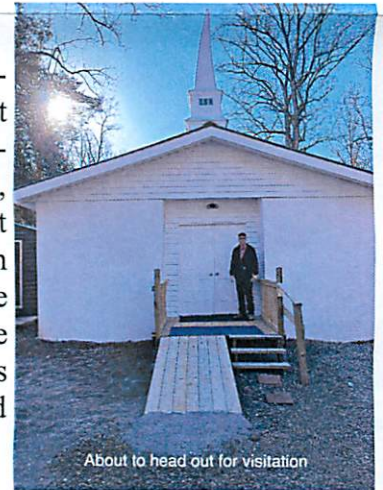

February 2018

Dear Church Family and Friends,

Greeting in the precious name of our Lord and Saviour, Jesus Christ.

As the New Year begins, we reflect back on the past year and all the work that was done for our Lord. We see some good results, but we also see where we have fallen short. May this be the year we strive to be at our best in doing the Lord's work.

Several new churches were started by our missionaries overseas in 2017. A new church was just started in the United States. Bro. James Mills, missionary to the Eastern Band of the Cherokee Nation, located in Cherokee, NC held his first service at Echota Baptist Church on February 4, 2018. Even though there were a few inches of snow on the ground, they came to hear the message. To God be the Glory. Pray for Bro. Mills and his wife, April, as they set up housekeeping close by and that our Lord will continue to bless this work.

The Caribbean Jubilee will be in Barbados, hosted by Bro. Earl James and his church family. The date for the Jubilee is April 3 thru 10, 2018. Bro. Earl has been planning for this conference and is hoping for a large turn out. If you would be interested in attending, please call me or Bro. Chip Stowe at the mission board for details. I'm hoping to attend and am praying the finances needed for the tickets and expenses can be raised.

I would like to thank all of the churches and individuals who helped make the "Christmas Bag" project for Bro. Mawuli in Togo, West Africa such a success. We sent 870 Christmas Bags to him and he was able to distribute them in 11 areas of his ministry during the Christmas period. He reported that 133 children came to know our Lord and Savior during this time. Plans are already being made for "2018 Christmas Project". I hope that even more individuals and churches will get involved this year. I will send out a reminder in June.

The staff at the mission board thanks all of you for your prayers and financial support over the past years. Your faithfulness keeps us all going in our work for the Lord.

May God bless you all.

Jack Stewart
