Evangelism - Discipleship
Church Planting

Prayer Letter

February 7, 2018

Dear Pastors & Praying Friends,

The Lord continues to bless the work here, even though the last couple of months have not been without their challenges.

2017 ended on an encouraging note with a number of new people starting to attend the church, two more adults becoming members, and several individuals starting the discipleship program.

January began with me and Darci making a quick trip to America to attend the Our Generation Summit in Boston, which unfortunately was cancelled due to a blizzard. We were able to see my family, however, and have some good fellowship with other Christian workers and churches in Ohio.

Also in January, we were excited to see the Lord open up a door of opportunity for the Waye family to begin working with a couple churches on the West side of London. We appreciate so much the privilege we have to partner with them in the gospel, particularly in the planting of Downham Baptist Church, and we look forward to how God will continue to use them here in this city.

At Downham Baptist, I am so encouraged with the number of folks who are continually stepping up to do various aspects of ministry. Just this past Sunday, a couple of our men started a small group Bible class for young men. I am so excited to see people using their gifts in this way and in many other ways.

Finally, we continue to value your prayers for Pastor James Wilson and Northwest Baptist Church in Northern Ireland. We had a further \$1620 donated to the building fund for which we are so grateful! Unfortunately, despite positive initial discussions with the bank, the church was turned down for a mortgage, so we are having to consider others options for the church, so please make this a matter of prayer.

Thank you so much for your continued prayers and faithful support. God has been so good to us, and we are grateful for the privilege to represent you here in the United Kingdom.
