"and the prisoners heard them"  
ACTS 16:25

Dear Fellow helpers

Jan-March 2018

1 Cor. 1:17-18- For Christ sent me not to baptize, but to preach the gospel. For the first time in our ministry I had the privilege to baptize one of the men coming to the services at Northeast. After Roy accepted Christ he asked me if I would do the honors. He reminded me of the eunuch in Acts 8:36-37 who wanted to know what doth hinder me from being baptized? I asked him why he wanted to be baptized and he answered because I got saved! That is just one of the exciting things that has taken place in the last three months. We have gotten into a new prison in the state of Mississippi and thank the Lord it went very well. After three nights of preaching at the Carroll County Correctional the Lord blessed our efforts with two men being saved. Others came and let us know that the Lord had given them truths that brought them closer to the Lord.

Also we have signed up a couple of men into the bible college who the Lord has called to preach the word of God. One man named Aaron who I met while working in the units told me he had run from preaching and serving the Lord because of how he saw his pastor father treated by the church. He told me that he was going to more than likely die in prison because of the crime that he had committed but resolved in his heart that at the age of fifty four he would die preaching the word of God in prison. While preaching in Farmington Missouri at Farmington Correctional two men from Tennessee were saved, one was from Pigeon Forge and the other from Oak Ridge. The man from Pigeon Forge told me he was a Mormon growing up and that he would slip off and go to church with his friends who were all Baptist. His parents would punish him for doing this but praise the Lord the seed sown years ago in those little Baptist churches in the mountains brought forth fruit. Keep up the good work and pray for us as we try and reach those behind the wall. God bless and God speed
