Dear Prayer Partners,

WOW!! God is good! The Lord has truly been blessing! Our financial support has increased tremendously over the last couple of months. The Lord gave us seven new supporting churches in just three weeks! Thank you for praying for us. The Lord is answering. We believe that we are around 65%-70% of our needed support for our family. Please continue to pray for us.

My trip to Maine was great! I never thought I'd be thankful for car trouble. However, the car trouble led me to an Advanced Auto where a man working invited me to church. I went to the church on Sunday night, and they had me come back on Wednesday night. The Pastor and I spent some time together. I went up to work with a member of another church and worked with him on the streets throughout the week. Glory to God both churches voted to support our family monthly. Best of all we had one soul saved!! God is so good! I give Him all the glory!

We just finished our first resource clinic with Unsheltered International of 2018 in Coatesville, PA. I am happy and thankful to report to you that the Lord Jesus Christ saved three souls! We have six more clinics over the next six months. Please help us pray for souls to be saved and for many people to be helped.

Lord willing, Danielle will graduate from high school on May 25. I can't begin to tell you what a blessing this is to her. She is planning on attending college in the fall. She still is not certain as to what she feels like the Lord wants for her life. Please pray as she begins this new chapter in her life and that she will be sensitive to the calling of the Holy Spirit.

Emily and Faith have finished up homeschool for this year. Emily is now officially an upcoming 12th grader and Faith an upcoming 3rd grader. Homeschooling was quite an adjustment for them, however, both girls did very well and made good grades. So now, they are off for a nice long summer.

Support/Mission Info:

Baptist Missions to Forgotten Peoples, Inc.

PO Box 37043 Jacksonville, FL 32236-7043

Ph: 904-783-4007 Fax: 904-783-0402

There are some other things the Lord is working on in our life to get us closer to the mission field. This is still in the preliminary stages. We ask that you help us pray and seek wisdom.

Thank you for your continued prayers for our family. It is truly a joy to serve the Lord. We are unworthy of His calling but humbled that the Lord would choose us. We love you all!

In Christ,
Brother Denny
