**SERVING IN MISSIONS
SINCE 2000**

Dear Pastors and Co-Laborers,

March-April 2018

What an honor to be a part of helping Iglesia Bautista Immanuel. We are so excited that Silvia received Jesus Christ as her Savior. Please pray as she grows in the grace and knowledge of our Lord. She has two children, Keity and Invalida. Invalida was born with some physical challenges and is often in pain. Would you please remember her in prayer as well?

Our hearts go out to the Sanchez family. Sis. Angelo was born in Denmark and was raised in a very abusive home where her father practiced witchcraft. She was saved several years ago and seems to have a desire to serve the Lord but still struggles spiritually. She can be found with her son, Emmerick riding their horses to Church on Sunday which takes about 30 minutes. Dominick, her husband, is a devout Roman Catholic. Will you pray along with me for this precious family?

We are delighted to announce that Bro. Efrain is now the Pastor at Iglesia Bautista Misionera de Heredia. He and his wife Olga moved back from California after living there over 30 years. They are looking for housing near the Church and are in need of a vehicle. As you pray, please ask God to meet these necessity's. You will not find a more dedicated couple who loves the Lord and has a deep desire to serve Him. We are excited to see so many first-time visitors in the last few weeks. It is our prayer that God will continue to add to His Church physically as well as spiritually.

Thanks to all who prayed for our attack with the wild looking insect that left us looking like we had chickenpox. After a few weeks it cleared up without any scars which my wife was very grateful.
