

The McElroys Church Planting in Québec

March/April 2018

Dear Friends,

On the first Sunday of March we recognized the 8th anniversary of Cornerstone Baptist Church in Stanstead, QC. We are thankful for the years we have been able to be here, and see Canadians come to know Christ as Saviour and be edified in Christ. The church is excited about opportunities to get more visitors in church and point them to Christ. It is time to canvass the area again with invitation door hangers. Also, in July we will be having our first outreach picnic in the public park, and we are starting to make preparations. We will also be freshening up the church building including painting inside. We hope for this wintry spring to leave soon to help in our efforts.

Please pray for a lady named Jen. Her and her husband are friends to a couple of the church. They have been trying to get her to attend services for years and she has been attending now for over a month. There was another lady that had been visiting several times but disagrees with doctrine and no longer desires to come. One of the teen girls in our church has been struggling with salvation for a while. She went through a discipleship program years ago; Renae has now started teaching her one on one each week. Thank you for praying for these specific situations, and in general for free course of God's Word as we encounter many other opportunities to point people to truth.

The majority of our family turns a year older in or around May. This year our youngest (Clara) will be turning five and starting school this fall. Our oldest will be turning 19 and will be graduating from high school. Pray for Logan as He decides the next steps in His life and the Lord's plan for him. Logan and Avery are a blessing to us and now that they are older teens they help us out a lot in the ministry and with Clara & Maddy. Renae is doing well and I appreciate her willingness and ability to keep everything under control. She is having a birthday too, but I will let you ask her how old she is turning next month.

It was exciting for Coaticook Baptist Church to begin holding services at the end of March just 20 miles from us. They are in a place of great spiritual need, and Jean-Philippe & Anne-Marie Fillion have been a great blessing. It has been a joy to help them canvass the area, and we look forward to working with them and fellowshiping with them. We do rejoice in this new church plant but there is still a great need for church plants in the Eastern Townships of Quebec and the Northeast Kingdom of Vermont. We will continue to pray and encourage others to come to this needy area and in other regions all around us.

In Christ,

The McElroys: Leo, Renae, Logan (18), Avery (16), Madelyn (8), & Clara (4)

Sending Church: Grace Baptist Church 735 Lenin Road Madisonville, KY 42431
