## The Gospel Seed must be Planted to All Nations..Including America! One Nation Under God

We have made progress with The Lord's help, at Concord Harvest. The church is growing with more families attending in the last 2 months. We give all the praise to Him! We celebrated Valentine's Day with a dinner and fun for the church family. We have also welcomed a new born baby girl, Kennedy, to our church family. Assisted Living outreach has been a great success. What a blessing to serve and love on these seniors in our community.

With negative temperatures and lots of snow, we survived our first Montana winter. It was very difficult at times, but we were thankful for a warm place to stay. Church went on as normal, in the South we would have been closed for weeks, but not in the West. The people remained faithful!

We are ready to get started back, in full force, with our visitation and outreach program. I have several men in the church excited in spreading the gospel. Please pray as I mentor them in this area. Pray as we plant the Gospel, God will give the increase.
