Dear Praying Friends,

Greetings from The Goodsons! We hope all is well with our dear friends. God has been so faithful and so good to us as He always is. He has supplied our every need and has opened doors and kept us busy in His work.

Thank you so much for your faithful support. Without it we would not be able to accomplish all we do and travel to tell others about Him. Crossroads is doing well. We have been able to get 3 or 4 men in the last few months. Please pray they will allow the Lord to work in their hearts and lives. Pray for all the workers and those who are involved as they endeavor to help these men.

It is time to start getting another trailer load of supplies to take to Crossroads. We are starting from scratch and desperately need help with this load. If your church would like to help this time please contact us and we will tell you what we need and we will be glad to come and pick up your donations. Also if you would rather give an offering towards supplies, we will get the supplies ourselves. It takes around \$600.00 to load the trailer.

Prayer request-Kay will be having surgery on her left eye on July 31 and then on her right eye later on in August. Please pray that all will go well.

Enclosed you will find a new picture of us to put on your board. Pray the Lord will continue to open doors and keep us busy until He comes!

Because He Lives!

The Goodsons
