Praise reports

Thank you so much for all of your prayers and support for Concord Harvest Independent Baptist Church!

We had several people to visit us this summer. So thankful for their friendship and support

Building fund money being supplied.. still need more if you would like to give.

New visitors have been coming the last few weeks!

God is my refuge and strength.. A very present help in trouble Psalms 46:1

Dear Pastor and Friends,

Looking back over the past few months and realizing Summer is almost GONE! God has blessed us with His protection and grace. I am very thankful that a group from my home church, Concord Baptist from Pickens, SC came out in June to celebrate our 1 year anniversary of Concord Harvest. I am so thankful for their love and continued support!! My pastor preached a great message.

In July, Victory Baptist, from Easley SC, came to visit and help with outreach and projects at the church. We had a great time with them and their Pastor Greg Phillips. Thank you!

VBS was in July and was a great success with 16 kids present! We had Bible stories, crafts and games each night! This was quite a challenge with the church being under construction. But, seeds were planted in the little hearts of the children!

The church is slowly growing.. Praise the Lord.. My wife, Joan, was given the wonderful opportunity to lead a lady to the Lord in July and has been discipling her every week. Give God the Praise.

The church began to pray in January 2018, about adding on 3 Sunday School rooms, Bible Study area and a bathroom. Plans were submitted to the City of Three Forks and with much pray, IT WAS APPROVED! Praise Him!

We started praying May 1st, the funds needed would come in, and God has blessed tremendously! The addition is in the dry, roof is on and the sheetrock will be hung by Sept. 1st!! Plumbing and electric is partially complete. Hallelujah!

Winter is on its way so please pray we can have it finished before the cold and snow arrives.

Thank you to the churches and individuals who have given toward this project!
