Dear Pastor and Church members:

Greetings in the name of our Lord Jesus Christ!

I want to start this letter with one of my favorite texts Psalm 103:1 "Bless The LORD, O my soul: and all that is within me, bless his holy name....".

♦ We thank God because the doctor authorized me to resume the work in the build of our third Church, precisely one year ago we had to stop it because the two heart attacks that I had, but God is good and his mercy is forever! This month we were able to restart with the build the building, Praise the Lord for this!. Please keep praying for the Lord continue provide the resources. Next Month we will visit some Churches to show the ministry and needs; so please keep us in your prayers for God touch the hearts of His people. We are excited for the opportunity and the work that lie ahead, even more we have faith that with the God's help will accomplish.

♦ In Calvary Baptist Church we had a youth meeting, almost two hundred youth attended and Praise the Lord for two saved souls! Please pray for the youth class, they are working to have another meeting on June 22nd.

♦ In "Alianza Real Baptist Church" the youth has been working each weekend with the kids and God has bless their work in a great way. Please keep praying for Pastor Alejandro and his family. .

Lastly we want to thank you your faithful monthly support and prayers; please keep praying for us, for our trip and for the Holy Spirit upon us to press on with this beautiful work. We really need your prayers. Prayer is the fuel will allow us to be successful as we follow God's leading in ministry. Without prayer, nothing will happen.

May God Bless you,

Dear Pastor and Praying Friends,

Psalm 13:6 "I will sing unto the LORD, because he hath dealt bountifully with me." The Lord has dealt bountifully with me in every area of my life, but specifically, with financial support! My last prayer letter update I was at 12% support. The Lord has answered prayers in ways I never thought possible and has given another increase; I'm now at approximately 20% support! Praise the Lord! He has blessed with giving additional schedules through revival meetings, camp meetings, phone calls, and drop-ins. It's been another busy 2 months of travel and I have driven approximately 3,373 miles. I am looking forward to another long-distance trip to Florida for meetings in July. Please continue to pray for safety while traveling.

The month of May started out with a women's prison revival in Kentucky; What a joy to have approximately 30 ladies join us for our services! After the services we had an opportunity to pray with those that requested prayer. One lady specifically was getting released and was very anxious and nervous about her release. She does not have anywhere to live, does not have family or friends that can help her, and is planning to be back out on the street. Many ladies have this same problem as family ties are severed, and they fall right back into their old ways. Please pray that God will intervene, that she will find a good church, and that she will not end up back in prison.

Our River City Bible study has been going great! We have had many new ladies attend the Bible study and three ladies trusted Christ as their Savior! One of the ladies that received Christ asked prayer for her three adult children. Two of her children are struggling with drug addiction and one of them is incarcerated. She is afraid they may lose the battle with drugs and most importantly, they have never accepted Christ. She said, "I finally understand and realize that God is the only one that can help them." Please pray for this dear family, that God would show his mighty power through her, and use her to reach her family with the Gospel. Please also pray for the state of Ohio as it has the second highest overdose death rate in the country.

Lastly, please continue to pray that God would give direction for a more permanent place to live. I am still traveling back and forth from my parents, to staying with friends in Cincinnati, and teaching for our Thursday night Bible study. The Lord has supplied every need and I am thankful for his precious promise of being with me each step of the way. Thank you very much for praying and for your financial support!

All for Christ,

Spring Report 2019

Dear Friends and Faithful Partners in the Ministry,

It is with great joy that Trina and I announce the marriage of Aubry and Jesse Skelton to our church families around the country! What a blessing it was to give our daughter away to this fine young man whose Dad has been our primary partner in Mongolian Missions. Pastor Shane Skelton with Dr. Charles Keen have raised the funds for the Mongolian Bible translation and helped us establish the printing ministry. Now our daughter Jesse and Shane's son Aubry are newly married and the two of them carry the same burden and desire of their fathers to make the name of Jesus and His gospel known in this uttermost region of the world. Together they are praying about God's call upon their lives and asking Him to clarify their role in the future of the work.

Last year, our oldest son Judah lead a work team here and is planning another trip next summer. Our second born, Jonah, and his wife Nadia are coming over this fall. Our youngest, Jaazaniah, is serving here all summer after finishing his first year of college majoring in Missions as he further prepares for full time ministry in Mongolia. God is moving in our children's lives and we are grateful for what He is doing in and through them and their multiplied capacity to impact this nation for Christ.

Over 800 boxes with more than 300,000 copies of the gospels of Mark left our warehouse last month for distribution throughout the province capitals and villages of Mongolia this summer! Please pray earnestly for this nationwide outreach and the salvation of many. *"So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."* **Isaiah 55:11**

MINISTRY NEWS

Please do not post any pictures or info online.

Literature Campaign: More streets were covered with gospel tracts & invitations in Lindau this month. One man was very unreceptive and said that Jesus never existed. He was confronted with the truth that God loves him and Jesus died for him.

Evangelism & Follow-up: In Liechtenstein God has blessed our follow-up efforts. It worked out to have supper with the **Kolgeci family** in a local restaurant. We found out they have an even busier work schedule – just one more thing to keep them from coming to Christ. We are building this friendship and witnessing as we go along. Please pray. Also, Jeremiah visited **Mr. T.** He was leaving, but invited Jeremiah to come back another day.

We started back with distribution of tracts and invitations to our Sunday Bible studies. We have reached out yet again in Trübbach and in Triesen. Please remember the other cities we are reaching: Vaduz, Balzers, & Sevelen. **Please pray for God's power to break people's hearts over their sin. Pray for open doors among the Liechtensteiners and Swiss.** We desire open houses & open hearts so we can present the gospel, win souls, teach and baptize the new converts, and establish churches!

Sunday Meetings in Vaduz: Sunday Bible studies continue. The gospel and Word of God are being proclaimed. Sadly, folks that claim to be followers of Christ are not obeying the Word of God. 1 of the 2 families that attend is in serious trouble. Due to sin the marriage is on the brink of divorce. So far our biblical advice and counsel has not been heeded. Please pray for this situation. The enemy is really fighting the meetings on Sundays. Others are

Finally, brethren, **pray for us**, that the word of the Lord may have free course, and be glorified, even as it is with you: 2 Thessalonians 3:1

regularly “hindered” from coming. These hindrances are manifestations of Satan’s opposition to the work of God. We are trusting our God, the Almighty, to win great victories!

New Opportunities: We started a Men’s Bible Study in Liechtenstein.

Our first was held on June 13th. 2 men attended. Our men need clear teaching on doctrine. They also struggle immensely with faithfulness and commitment.

Please pray they will be faithful and let the Word of God change their lives. Also, **the young Italian family** (that lives in Lindau) agreed to come over for a cookout. Guess what, they brought their Bible. They had more questions which led us to John 3 and *the new birth*. **Please pray as they agreed to meet us bi-weekly for a Bible study.** Please pray for them to follow through and for open hearts.

FAMILY NEWS

Recovery from surgery is going well. We thank God for this. Ruth recently called *skunks stunks* while playing a game. She’s on to something there. Also, friends (the Curriers) from our home church celebrated their 50th Wedding

Anniversary in Switzerland. We all spent some very enjoyable time together in Liechtenstein!

Thanks for you loving, praying, & giving so that we may serve God in the 4-Country Region of Lake Constance!

Dear Friends,

June 2019

A couple weeks ago, Rebekah and I were invited to the home of one of our language school teachers, Mitta Ji. Mitta Ji has been a huge blessing especially to Rebekah, by helping with different cultural aspects of living here in Delhi. Rebekah calls her her “Indian mother.” She is Bengali and on the particular day that she invited us over it was a day, in Bengali culture, to prepare a meal for your son-in-law with all of his favorite foods. She also gave Rebekah a beautiful sari. Throughout the night, I was able to talk with her husband about the gospel. He is a former teacher and principal and had many questions about what we believe and what we are doing here. He apologized for asking so many questions, but I did not

mind at all. It is questions like these that open up perfect opportunities to share Christ. After explaining the gospel to him, he said, “I still don’t understand why you would leave the US and come here.” That answer is simple. It is because of Jesus Christ and what He has done for us. Pray for Mitta Ji and her family.

Father’s Day went great! We had four fathers come for the service. It is always exciting when we have people that come back. Pray for God to do a great work in Fathepur Beri.

Prayer Requests:

- **Rebekah’s Pregnancy:** Rebekah has entered her last month of pregnancy. Pray for her and baby Emilia’s health and that all would go smoothly with the delivery. Lord willing, my parents will be arriving around the time the baby will be here. Pray for them as they travel. We are excited to see them!
- **Ministry:** Rajkumar is one of the young men that we are working with. He recently got saved and it is encouraging to see him grow in his desire to serve the Lord. Pray for him as he continues to grow.

Yours to India,
Eric , Rebekah & Olivia Elrod

Dear Pastor and Supporters,

Greetings to you in the name of our Lord and savior Jesus Christ. Nahum 1:7 says, "The Lord is good, a strong hold in the day of trouble; and he knoweth them that trust in him." I hope and pray that all is well with you, your family and ministry. As for me and my Family we are doing good by God's grace. I must say thanks to God for all he has done for us and also for your prayers and support. May God continue to bless and supply all of your needs.

At Anchor Baptist Church we are still working on the inside of the building trying to finish up with the painting. I'd like you to pray for us as we are in need of a **PA System, Chairs and Tiles for the floor.** Any musical instrument that you may have and no longer use, like a **guitar or keyboard,** we'll greatly appreciate it. Pray also for the salvation of folks in the community as we do soul winning.

Pray also for my Family as we have started building our house five months ago. We praise the Lord for the strength he gave and for where we have reached. We are presently putting up concrete block, pray that God will supply the money and material needed for the Roof. May God add his blessings as we continue to serve Him.

In Christ,

Greetings from the Goodson's,

We trust this letter finds everything going well with your church ministry. We pray for all our supporters each day. May the Lord richly bless and prosper your work.

We have been very busy since the first of the year. I have preached every Sunday and had several meetings we were privileged to be a part of. We are thankful for every door that the Lord opens for us. We try to pray and find the will of God for each service. If you could use us in any way please call us at 865-548-3715.

At the first of the year I was diagnosed with Parkinson's Disease. They started me on some medicine that has really helped, both with pain and ability to function. I am thankful to still be able to travel and fulfill the appointments God has opened for us. Please put us on your prayer list and pray that God will have His way and help us in this physical battle.

We still represent Crossroads Rescue Mission. If we could ever come and talk about the work there at the mission please feel free to call us. We are in the process now of getting a load of supplies ready to take over there. If you could help us just call and we will share the things that are needed. Some give a love offering and we go purchase needed supplies to take to them.

In closing, we desire your prayers and thank you again for your financial help.

Hello Praying Partners and Co-laborers in the Ministry,

Since our last prayer letter many events have taken place and many wonderful people have made professions of faith in Jesus Christ.

One event was the marriage of William and Alma. William came to the very first service at Bethel Baptist Church that was started in August of 2004. He was 14 years old and in need of salvation. Soon after coming to church he made a profession of faith in Christ and started his new life. He was faithful in every church service, youth meetings and then soul-winning. He graduated high school and started training in the Bible Institute. He continues to serve the Lord faithfully in church and now has a beautiful wife to serve with him. They were married on April 13, 2019.

After the wedding, we were able to help a well digging ministry drill for water in two small communities on public school property. We had the opportunity to take the seminary students to these two different sights, to teach the children the Bible for the week. What a blessing to see them prepare and work for the honor and glory of the Lord. They were able to see many decisions made for the Lord during these two weeks. In addition to the students, on Friday after drilling, they held a special parent meeting where the Word of God was preached. What a blessing!

Another blessing is the second dorm on the camp property is almost done. We are installing the windows, doors and the bars over the windows by the end of next week. We will be able to start wiring the lights as soon as the doors and windows are done. What a blessing to know that these facilities will be used to encourage, train and build up the pastors that come to the conference each year. In addition, the youth group will have a place to go each year for their annual "youth camp." There is a plan in place to use these facilities for men and women's meetings, family conferences and other get togethers as well.

Finally, we are writing to inform you that after much prayer and counsel from various spiritual leaders and pastors, Becky and I have made the difficult decision to resign from Baptist International Missions, Inc., effective the end of June. Our decision to return from Honduras is based on a call from the Lord to pastor the Heritage Baptist Church in Evansville, Indiana.

Our departure has nothing to do with any difficulties on the field, or due to the ministry being too hard. Nor is it due to marital problems, financial problems or any sin that would prevent us from serving our Lord. The ministry here is vibrant, going well and has a new pastor that has been trained and equipped to take over the responsibilities of the church. Pastor Josué has been serving with us since 2008, and he will take over as pastor of Bethlehem Baptist Church.

Your faithfulness to pray and support our family over the years has been a great encouragement to us and we will forever be grateful for you. We will continue to serve our Lord and Savior Jesus Christ.

John 3:7 *Marvel not that I said unto thee, Ye must be **born again**.*

Just hours after sending out our previous Prayer Letter we were informed that the Vietnam Veteran we met last August named Junior has been Born Again! These past two months we have had more phone calls and emails returned from the packets we hand out than at any other time since we began this Ministry! Veterans calling with Bible questions; or to let us know how God has changed their lives; of their Salvation and their walk in the Newness of Life, this has been a blessing beyond which words can express.

LEFT KNEE SURGERY - I must take a medical furlough for the next three to six months to have a total knee replacement on my left knee. The *surgery has been scheduled for July 16th* at the VA Hospital in Salisbury NC where I will spend at least two days in the hospital. Then after surgery I will be moved to a rehab facility for another two weeks, since our RV is not conducive to the needs for proper recovery. While there I will begin in house Physical Therapy and that will continue as outpatient for up to three months after the surgery. Please keep this surgery and my recovery in your prayers that all will go well. This is another opportunity to witness to those I can while facing recovery.

MORE MINISTRY NEWS - Two seniors in High School planning on going into the service called to seek advice on the military. After spending nearly an hour talking with each of them about what the military is really like, one who professed to be a "Christian" said he had to go home and seriously rethink his plans, while the other one just thanked me for sharing the informing with him. A Christian Vietnam Veteran we met told me he was Ashamed of serving, because there was nothing good that came out of it. We gave him a copy of the testimony of Mrs. Tam Bowman, a Vietnamese woman who was led to the LORD by a Christian Soldier, and the next day he said "I never knew all that... Thank You"! Finally we were called to assist a Marine on leave whose vehicle had broken down. He needed a new engine and could not afford the repair, **BUT GOD!** He professed to be an atheist yet he could not figure out why so many people were helping a complete stranger. The shop doing the repair was donating their time and labor as well as putting him up in a motel during repairs. We drove an hour and a half just to witness to this young man and of course pay the remaining portion of his repairs. After witnessing to him for over an hour about how God was trying to get his attention, he allowed me to pray for him and said "I have a lot to think about"! What is the price of a soul? Please pray for Carter Taylor

NEW RV UPDATE - We are thankful for the donations of \$11,500.00 so far this year toward that goal. We are praying for GOD to move mountains to get the right vehicle and a way to finance it.

Please continue to pray for all who are currently serving overseas in combat.

Mine eye affecteth mine heart... Lamentations 3:51
...behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.
John 4:35

Dear Friends
and Partners,

We pray all is well and that you are experiencing good health and the abundant blessings from our Heavenly Father. We want to thank each and every one of you for your faithful prayer and support.

This month has been quite eventful for us. We have seen God do many great things. He has protected us as we traveled thousands of miles. We spent most of the time in TN, KY, and GA. The Lord Blessed with 3 churches promising support. God has blessed with many good meetings and opportunities to preach and share our burden for Ghana.

The Lord has blessed us with our 6th child. *Psalm 127:3 Lo, children are an heritage of the LORD: and the fruit of the womb is his reward.* My wife Carrie is due on January 1st. The Doctor thought it was twins at first and we had to wait for a few weeks to find out it is only 1. We are excited to find out if it is a boy or girl. We should know by August. Please pray for my wife she has been dealing with morning sickness most of the day with this pregnancy. This new blessing has changed our goal for departure to April of 2020. We will need enough time after the birth of the child to get the needed paperwork done in order to leave.

Please pray for wisdom on dealing with our van. It broke down in Newport, TN. The oil cooler went bad

resulting in oil in the coolant. We had to pay a good sum to get it fixed. The mechanic broke some wires and wouldn't own up to it but the Lord gave us wisdom to rig it so we could get home. The problem we are dealing with now is oil in the coolant again and trying to fix the electrical problem correctly. We want to thank Bro Chuck and Sister Elaine for letting me use their truck and all they have done to help us. They are a blessing.

God has blessed and supplied the needed funds to ship 20 barrels. We are thankful to New Light Baptist Church and Pastor Belcher for this gift and help in reaching Ghana with the Gospel.

We have had several individuals write letters of encouragement of which we are very thankful. These letters came when things were hard and we needed lifting up. God used you to help us push forward for God. Thank you for being willing to be used of God in this area of correspondence with missionaries.

The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Ghost, be with you all. Amen. 2 Corinthians 13:14

Dear Brothers and Sisters in Christ,

The Bible says that **“As cold waters to a thirsty soul, so is good news from a far country.” Pro_25:25** so let me begin by sharing how God has been blessing us here in Scotland. We have had many people come and visit our Church recently with just about a new visitor every week. They have been coming from our local area and from much further afield. It has been truly amazing to see these people coming all looking for a place where the Bible is preached and upheld. One visitor told me that he was despairing that he would be able to find any church that truly preached the Bible and salvation through Christ alone! Recently as part of our outreach we have begun a youtube channel of our Church services in Scotland. You can search youtube for Bible Baptist Glasgow and you will find it. This is because many people who have visited our Church have been watching preachers from the United States online and have said that they wished that they could have a church here in Scotland that preached like that. Now some of those youtube preachers have been good but some have been very bad and are spreading false doctrine and hatred. So, I wanted to provide an alternative for people in Scotland and in the rest of the United Kingdom to hear good preaching from Scotland. It has resulted in many new visitors coming to the Church and many of them have decided to stay and are coming every week. Praise the Lord. Some though have brought false doctrine and after hearing the preaching of the Word of God have since moved on.

Not only have we been putting out sermons online but we also continue door to door witnessing and street preaching and evangelism. We have had a good number of people get saved on the streets recently and we have been passing out Bibles to these new believers in Christ. One man who was saved and received a Bible is called Patrick and I would ask you to pray for him that he would go on with the Lord. Our bible institute is doing very well and the two young men we are training for the ministry have responded very well to what they have been learning. Recently we have been going through the subjects hermeneutics and homiletics so they can study the bible in an organised manner and can prepare sermons that will be sound biblically. This last Sunday we had one of the young men preaching in the Church, brother Grant, and he did a wonderful job, praise the Lord. There are many challenges and blessings to working in the ministry here in Scotland. One of the saddest things here for me is how alcohol and drugs destroys lives. I would ask for you to pray for one young lady in particular called Kaireen who is going through a battle at the moment. She recently was led to the Lord though brother Grant but is struggling with alcohol and drug addiction. In the area where she lives there are many people who are struggling with this problem. Many of them have taken their own lives because they just can't deal with these problems. Sadly, just yesterday I heard of another young women who had taken her life and was a friend of a young man who came to our church. It is truly heart-breaking! We are in a battle here for the souls of men and women in Scotland. Our family is doing well and Debbie continues her recovery from surgery. Thank you for your prayers and support in our ministry of reaching Scotland with the Gospel.

MISSIONARIES TO EAST AFRICA

April/May 2019

Dear Pastors and Praying Friends,

I just want to say Bless the Lord for the busy but blessed last two months. To God be the glory for all that he has done! Our family wants to thank each and every one of our supporters for your prayers and faithful support. There has been so much happening in these last two months I will try to include all the Lord has done and is doing.

Project Kindness for Kids...

We have been able to add 4 underprivileged children to the ones who are being sponsored, which now brings us to 11 children. It was a great joy to have been able to see one of our sponsored children trust Christ as their Saviour at the recent revival at Blessed Hope Baptist Church.

Our First Visitors...

We've just finished 3 weeks with our PBMI Director Bro. Gary Crisp and evangelist Duane Moore. It was such a blessing to have them visit, for the Lord used them greatly. We began with a youth meeting then we had our Tri-annual Bible Institute each day the first week with a Home and Family Revival each night at Welcome Baptist Church in Buwenge. Praise the Lord for Ms. Veronica getting saved! Then we traveled to Luwero for a Revival at Blessed Hope Baptist Church where the Lord blessed and 19 souls were saved in that week of revival! From there we traveled to Kenya to meet up with some nationals who work with PBMI.

The School Ministry...

We are in the middle of school break here, but we were able to have a meeting with a group of schools in Luzinga to a group of 2000 students and teachers! This next school term we plan to continue preaching in the schools and to follow up with many we've already been with. One school, Royal College Buwenge, we have been teaching weekly the ABC's of Christian Growth, please continue to pray for this ministry.

The Ladies Ministry...

Mrs. Debbie was able to carry 16 of our ladies from Welcome Baptist Church and 3 from Blessed Hope Baptist Church to Kampala for the East Africa Baptist Ladies Conference. It is a blessing to see how these ladies and others are growing in the Lord.

The Radio Ministry...

We had a door of opportunity to begin preaching on the local radio station here in Jinja. It is a secular radio station but it has a very wide reach. Please help us to pray for this ministry as well as the funds to continue buying an hour slot. An hour slot to preach the gospel is around \$30 US dollars.

Our 1st Missions Conference...

We concluded our mission month in April and took up Faith Promise. We have been able to take on 4 missionaries! We have seen over the amount promised come in and our regular tithes and offerings have also increased! It works!

We are praying to help with 2 new church plants in Kaliro, Uganda, and Kamuli, Uganda. These are some of our Bible Institute students. Construction is also continuing on the dorms/SS rooms and the additional land has been purchased. We want to thank each of you who has given and prayed for these needs! Also,

thank you to those who gave for our car repairs! Again, we want to thank each and everyone who prays and gives so we can be here doing what God has called us to do.

Dear Praying Friend's;

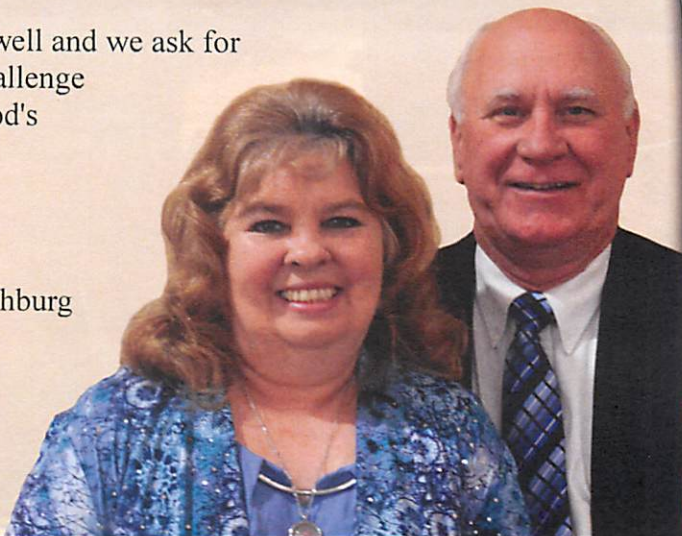

We thank you for the support both prayerfully and financially that you continue to send our way, in January we started our twentieth year on the road as a field representative for the VICTORY BAPTIST PRESS and looking back I would be hard pressed to find a field of labor greater than putting the Word of God on the mission fields of this world, we thank the Lord for letting us be a part of it.

We spoke in our last prayer letter about the repair work on the bindery system at the print shop and I'm happy to report it's working as it should and they are putting bibles together on it as I write this letter. Replacing and upgrading printing equipment is very costly and when we finish with a piece of equipment, if it's still usable we always try to find another ministry that can use it to help them avoid the cost of buying it. Our plate making process for the printing presses has been in need of upgrading for several years so we've recently purchase a used (but new to us!) Computer to plate machine (CTP) which will speed up our plate making process and save considerable money on the cost of producing plates. This will cost VBP \$ 28,400.00 please help us pray that the money will come in to pay for the machine, maybe you would like to have a part in helping us with this if so please send your offering to VBP and make a note it's for the CTP.

Our last trip out on the road was three weeks long and since our last letter we've been in revival meetings, mission conferences and local churches in NC, SC, AL and Florida preaching and presenting the ministry and we took a few days and drove the bus to carry a group of young people to a youth conference in DeLand, FL. and it's always a joy to see our youth get stirred about the things of God and find direction for their lives.

In closing, Vicki and I are both doing well and we ask for your continued prayers as we try to challenge local churches about the printing of God's Word for those who don't have it.

Sincerely,
Bill & Vicki Richburg

BAD NEWS

We are supposed to be in India today, but United Airlines canceled our flight due to a "No Fly Zone" over Pakistan. To say we are disappointed would be an understatement.

GOOD NEWS

We were blessed to be a part of the Mission Revival at Catoosa Baptist Tabernacle, in Ringgold, GA, pastored by Justin Gazaway. Services were Spirit filled. The singing was great. The attendance was wonderful and the people were excited.

We left Georgia and drove to St. Cloud, Florida to be with Eastern Avenue Baptist Church, pastored by Jim Callen. This is one of our favorite places. Enjoyed the weekend with them.

We left Florida and drove to Brevard, North Carolina (The Wilds Camp) to enjoy the annual Vision Baptist Mission orientation. It was a blessed week.

BEST NEWS

We are booked to return to India the 6th of August. We are excited to get back to this great country and teach the young preachers. Several men have been saved in the last few months.

Please pray that all will go well and Pakistan will behave themselves. Thank you for helping us do what God has placed in our hearts.

Thank you for giving towards the translation ministry. We are waiting for the funds to build a bit more to begin our next project.

We love you and appreciate and covet your prayers for India.

Hello Pastor and Praying Family!

WE HAD TO PULL OUT MORE CHAIRS...

This past month has been an eventful and fruitful one. We had a record of 26 people that came to 2 services that we had during easter. As you all know we had our Easter campaign that went from Thursday night through Sunday morning. Thank you very much for praying for the 15,000 flyers that were handed out for this event. Many heard a clear presentation of the Gospel that week and we are already seeing the fruit from it.

The week after, my pastor Austin Gardner and our Missions director, Jeff Bush, came to visit us for the **South American Regional Conference**. We were not only encouraged but it was also a huge blessing to have them here with us. We also had several other missionary friends that came from Argentina, Mexico, Bolivia, Chile, and Peru. We thank God for our pastor and Missions director for taking time out of their busy schedule to come and help with guidance and with encouragement on the field.

Mother's day is this week and this is another event at our church. Please pray as we get ready and for the mothers of Colombia to come and listen to the Gospel and get saved!

We would like to invite you and your teens to the **Our Generation Camp 2019** that will be hosted at Sand Mountain Bible Camp in Trenton, GA. This year our home church is offering two great weeks of camp. Your young people will be challenged by the word of God. All of the preaching is done by real missionaries from all over the world. Not only will their lives be challenged, but they will also enjoy their time at camp through the various games and times of fellowship. The cost of the camp per person is \$225 and the dates will be from June 17-21, June 24-28. For more information about the camp please do not hesitate to contact me at the email below or at our cell phone number. We love you all!

Prayer Letter

June 13, 2019

Dear Pastors & Praying Friends,

Visitors - We had many visitors this past month: friends from Northern Ireland, missionaries to Africa, and a mission team from America.

Missions Weekend - The Shumaker family, missionaries to Burkina Faso, was able to be with us for a few days in May on their way back to America for furlough. Bro. Keith preached our missions weekend and challenged our church to get more involved in world missions.

Gospel Need in SE England - There is a great spiritual need in the Southeast of England where we live. There are very few Bible-believing churches. Many of the churches that are here are finding it difficult to reach out with the gospel, especially amongst the white English population. One English pastor told me that it is estimated that less than .05% of white English people attend a Bible-believing church. Please pray for God to strengthen existing churches and to give gospel fruit in this needy area.

Downham Baptist - God has brought together an amazing group of members at Downham Baptist. They are a small group, but each of them has shown perseverance. Pray for them to continue to grow spiritually and numerically as they continue to take on more ministry responsibility, especially with us going on furlough in August. Pray as well for more of the occasional and regular attenders to become committed members.

Preaching - Our Exodus series is coming to an end, so we are about to start my last preaching series before we leave from the book of 2 Timothy. Also, I will be teaching more lessons on why we do and don't do certain things at our church. Pray for our church to be mature and strong in the face of much false doctrine and false teaching that abounds in our world today.

Evangelism - The American mission team that was with us for a week from Pleasantville Baptist Church in Pleasantville, Iowa, helped us with a good amount of evangelism. They helped us to distribute almost 6,000 invitations as well as some street evangelism and door-to-door work.

Furlough Plans - Thank you for continuing to pray for our furlough plans. There is much to do, but God is helping us. We are working on booking our calendar and will do our best to visit our supporting churches as we are able. If your church does not support us, we would love to come by and present our ministry, as we are in need of raising additional support. Thank you!

Dear Friends,

The last several months have been great in our work for the Lord. TO GOD BE THE GLORY, GREAT THINGS HE HATH DONE. All is fruit to your account in Heaven.

By the help and Grace of God, we are planning a trip to Mexico early next year. I have not been to Mexico since July of 2016, because of the Glioblastoma that I had the doctor did not want me to go. I am praying that he will let me go in January of 2020.

We are planning a new church being built in Guadalajara. Bro. Victorio Robles is building 'Lighthouse Baptist Church,' which will be our main IBOM headquarters. We also have plans for another church in Hidalgo, Huichapan City, and Guadalajara, which will bring the number of churches that IBOM has started to 165.

I am enclosing pictures of the new building in Guadalajara, and also a picture of Pastor Victorio. Who has been our field manager in Mexico for 20 years, Bro. Victorio has moved from Mexico City to Guadalajara. The tent is being used in Huichapan City.

Please continue to pray for IBOM in Meixco, and I hope that the pictures in this newsletter will be a blessing to you. Please continue to pray that the Lord will honor and bless our work there as we continue to plant churches. Thank you for sending us to Mexico.

Thank you and I love you all! Bro. Luther and Mrs. Nancy
