

2018 Guest Registration Form

What we need from you:

Vaccination records for rabies, 5/1 (DHLPP) and bordatella. Please make sure your dogs are vaccinated for bordatella at least six days in advance or 2 weeks in advance if it is treated with an intranasal vaccine before staying with us. We suggest vaccines for the dog flu, but it is not required. Also, we require your dog to be on current (year-round) treatment for fleas and ticks... pets found to have fleas will be treated by us at your cost. We must have records before your pet can board with us.

Things you need to know:

Open for drop-offs and pick-ups: Monday-Saturday 7am-10:30am, 3:30pm-6:00pm
Sunday 3pm-5pm

We need you to schedule pick-ups and drop-offs so we can focus on incoming and outgoing guests

Contact: 828 773 1910 happypawdogden@gmail.com happypawdogden.com

(All doggies must be at least 4 months old to attend daycare/boarding)

Checkout for an overnight stay is 10:30 am the following day... those that stay longer will incur \$10 fee for late checkout. Checkout for day care is no later than 6 pm.

Destructive dogs will be crated.

Your dog needs to be house-trained (we will work with pups and accidents)

Payment is expected at pick-up... we currently accept cash and check.

Paperwork must be submitted before your pet can stay.

We operate out of our home and keep a limited number of guests, so we can provide a homelike atmosphere for your dog and hopefully keep stress and noise at a minimum.

Please date and sign below if you agree to the terms above:

Please provide us with the following information about your dog:

Name: _____ **Breed:** _____

Weight: _____ **Color(s):** _____

Likes/dislikes: _____

Delivery and pickup: Starts at \$10

One-on-one exercises: \$20/1 hour

2018 Policy and Procedures

While staying at Happy Paws Dog Den, we will treat your dogs as if they were ours, however, if they become ill during their stay, we require an emergency contact pick them up immediately. Contagious animals will be quarantined upon first sign of illness and emergency contact will be called directly after placing the dog in a quarantined area.

During their stay at Happy Paws Dog Den, your pet will be supervised while playing in our yard and housed in a secure kennel. If your K-9 suffers a non-emergency injury while staying with us, we will call you (or your contact) as soon as the injury is discovered in order to notify you and let you advise us on how to treat your loved one's ailment.

Hopefully we never experience the following scenario, but stuff happens. We will provide great care to your doggie, but if for whatever reason he is in need of emergency care while staying with us, we will attempt to contact you (or your contact). If we cannot reach you, we will transport your loved one to your regular vet or to an emergency vet. You will be the responsible party for billing at the vet, for any reasons other than gross negligence on our part.

If you have granted permission for your dog to socialize with other dogs while staying at Happy Paws Dog Den, you are responsible for the dog's actions. We will do everything we can to prevent dog's from fighting or injuring others, but please know, if your dog is the aggressor and injures another dog while staying with us, you could be liable.

We are a small business and operate out of our home and ask that you please schedule all visits. Our primary concern is always taking care of current guests and for security, we plan yard visits around check-in and check-out.

Please date and sign below if you agree to the conditions stated above:
