

Boots 'n' Buckles Dance Club

How 50/50 works...

Each dance night we will have people coming around with a bucket collecting for the 50/50 raffle. The end collection is split in half (50/50) where the first half goes to support our club. The second half is split three ways. At the break, six tickets will be pulled out of the bucket and the winner's number will be announced.

The first three winning ticket holders will be given cash prizes, the next three winning ticket holders will be given a "Name Your Dance" card. (See "How "Name Your Dance" cards work)

If you are a winning ticket holder, you will turn in your ticket, receive your prize, and pull the next winning ticket out of the bucket.

Proceeds from the 50/50 raffle help support the clubs financial needs and help to cover costs.

Thank you for supporting
Boots 'n' Buckles Dance Club!
