Labor Day – September 2

A national holiday to celebrate the dedication, achievements, and contributions that American workers have made to help make this country strong and prosperous.

Patriot Day – September 11

“WE WILL NEVER FORGET”

In memory of the people who were killed during the attacks on September 11, 2001. National day of service and remembrance.

First Day Of Autumn – September 23

The first day of Autumn happens when the Sun crosses the celestial equator (the imaginary line in the sky above Earth's Equator) from North to South. This is known as the Autumnal Equinox. There are no changing fall colors here in Florida, but it is the beginning of Football Season with most people rooting for their home team. It is also time for Fall Festivals and Farmers Markets; watch your local papers and check with your neighbors for the best ones to attend. Unfortunately, it is still Hurricane Season which doesn't end until November 30th, so remember . . .

LISTEN TO LOCAL WEATHER EVERY DAY. CHANNEL 9 HAS A TROPICAL STORM REPORT EVERY HOUR AT :49 after the hour.

Reminder - Garbage pick-up will be on Tuesday and Friday the 1st week of September due to Labor Day.

PV Messages

Message from Co-Op President
FRANK FIELDS

This past month brought out the best in a lot of people. When a corporation wanted to buy the park, the shareholders overwhelmingly said no. And not just for themselves, but for the renters. The shareholders were concerned for the future of the renters and what would happen to them. Most shareholders said they liked the community just the way it is and didn’t want some corporation coming in and changing things. The money didn’t mean as much as happiness to them. This shows people what a close-knit community we have. I know the management team and the CO-OP board will do their best to keep Plantation Village a great place to call home.

This month we will have some new residents moving into their new Palm Harbor homes. When you see them, stop by and say “Hello.” They might even give you a tour. As always, look out for your neighbor.

Frank Fields

Message from PV Manager
MERRY SINACORE

As we enter September, we realize the summer is almost over. It now becomes the snowbird season. So, to the few that are here - welcome. The community starts to gear up so that everything and everyone is active and taking advantage of all the great amenities we have. Our community has been spruced up and all decked out for all residents to enjoy. Please help us keep this community looking great.

We have gone through a summer and lost some of our residents who have been here for a long time. This is the part of the summer I do not like. With that being said, we have a lot of new residents coming in so if you see someone new say hi and ask where they live.

Most of our new homes are here and Frank is trying to get all of them completed, but with the rain and our bad weather the contractors do not show. When they do not show up, everything falls behind. It is not possible to do the work they need to do with the weather we have. But Frank is standing over all the vendors and that is not comfortable for them, so they are moving as soon as they can. Even our Landscapers are not able to cut the lawns with the ground so wet. The good part of this wet weather is our pond is full and our landscaping looks wonderful. The weeds are growing every minute so Ron is keeping busy.

Let’s remember when we use the clubhouse we need to keep it clean and in great shape, so please do not put drinks on the pool table when the cover is off. Please leave the cover on if you are going to use it as a table; the covering is new and we do not want to ruin it. We have put garbage pails outside of the back door of the club house so please use these receptacles for all garbage.

We are very concerned about the security in our community. I had Ron ride the fence line and he did not see any breaches or any of the fence compromised. That does not mean they could not get in in any other way. But like all gated communities, things happen. So if you walk at night take your cell phone with you and please see if you can walk with someone. If you are in your home and hear someone knocking - DON’T ANSWER-DON’T GO OUT- call the Sheriff’s department. Tell them someone is trying to break in and they will be here immediately. We live in a great community, but we also live in a time that is very tumultuous and an uncertain world. We all need to be careful whether we are going to Walmart or walking in our community. Be Safe.

We are planting Palm Trees around the community so look for new ones to pop up.

Merry Sinacore

Message from MHOA President
REGIS THORNTON

As we raced through July and we are coasting through August, I would like to bring attention to the children going back to school. Please watch out especially around our school areas. The 20 and 15 miles per hour signs will be flashing everywhere, so slow down. It is a good idea to mention to your relatives and friends who come to visit or stay with you, that the Florida Law Enforcement are out in force and are strict about our school students’ safety. Please also watch out for the school crossing guards who personally put their bodies out there first in the street, before they would even let parents and children proceed in the crosswalk.

Being that I am warning our residents of the law, recent law on cell phones goes as follow:

Yes and no. The law states that there is a warning period for the Oct. 1 ban on handheld devices in school zones and construction zones. From Oct. 1, 2019, until Dec. 31, 2019, police must issue a warning when they catch drivers talking on the phone in these zones. Passed: Jul 2, 2019

Also visit this link: https://www.floridatoday.com/story/news/local/2019/06/28/floridas-new-texting-driving-law-10-things-you-need-know/1557610001/

Florida New Texting/Driving Law:
10 Things You Need To Know

Florida texting/driving law: 10 questions (and answers) you should know. Using a Google map or Waze directions are not part of the texting law; neither is texting while at a red light or toll booth.

We will be having a Coffee Social on Saturday, September 7th at 9:30 am at the Club House. This will be Roger Nelson’s last organized Coffee Social. Roger has been organizing these socials for the past three years and has done a wonderful job. We are looking for a new volunteer to step up to this position. Anyone interested, please let Roger Nelson know or myself. Roger has volunteered his time to show the new Coffee Social Organizer the ways and means to pull these events off. In other words, “The Ropes”. Thanks again, Roger, for all your time and effort to make Plantation Village’s Coffee Socials a get together that all of us enjoy immensely.

Storm Season Does Not End Until November
by Kathy Weir

We have been lucky so far this storm season, but September is one of the busiest hurricane and tropical storm months of the season. It is important to watch local weather. Review your plan, check your supplies and replace if needed. Please help your neighbors that may need it. Let’s watch out for each other.

HURRICANE EVACUATION CHECKLISTS

It is recommended for families to have as A MINIMUM 5 DAYS WORTH OF SUPPLIES in your hurricane survival kit, as well as other items for use at a shelter and/or upon return to your home. These are recommended steps:

**STEP 1:** Ensure your vehicle has a full tank of gasoline. Check tire pressure and inspect fluid levels.

**STEP 2:** Obtain cash rolls of quarters and small bills for use in vending machines. Remember that most vendors will not accept checks or credit cards after a hurricane.

**STEP 3:** Pack non-perishable food and water:
- a. Items that require no cooking.
- c. Include a can opener and plastic or disposable utensils.
- d. Include toiletries and enough personal hygiene supplies for two weeks.

**STEP 4:** Pack important documents and papers:
- a. Birth/Marriage Certificates.
- b. Passports/Visas.
- c. Wills and Power-Of-Attorney.
- d. Computer Disks with valuable information and/or System Disks.
- e. Video tape of household goods and of the interior/exterior of the house.
- f. Pet vaccination documentation
- g. Personal phone/address book
- h. Medications

**STEP 5:** Pack clothing, bedding, and bathing supplies:
- A. Pants, shirts, underwear, socks, etc.
- B. Pillows, sheets and blankets.
- C. Towels and face cloths.

**Step 6:** Inspect the house for loose external items:
- A. Trash cans and receptacles.
- B. Lawn and patio tables/chairs.
- C. Toys (swing sets, riding toys, etc.).
- D. Secure television antenna or satellite dish.
- E. Unplug appliances (televisions, stereos, computers, etc.).
- F. Turn off gas and electricity to the house.

Sewing Group
by Sharon White

Join us on Wednesdays; we supply the irons and cutting mats, bring your machine and your project to work on. Bring your lunch, stay the day. The group meets from 9 am -3 pm at the clubhouse. Contact Sharon White 732-407-4746 for information on our group.

Mark your calendars for Valentine’s weekend of February, 2020 for the Manatee Patchworkers Biannual Quilt Show at the Manatee Convention Center.

Euchre Is Back!
by Kathy Holly

We are excited to get the euchre players back together starting Wednesday, September 4th at 6:30 pm. We took a break during July and August due to many vacations, and hope we can get at least 3 tables playing again. Sign up is week to week, so there’s no commitment each week. If you want to learn, come up and watch! Everyone is welcome! There is a $1 donation toward pay-outs for 1st - 4th place and booby each week. When the snowbirds get back we sometimes get up to 10 tables! We have a great spread of snacks during the season! To sign up for September 4th please sign in on the sheet located on the bulletin board just outside the library in the clubhouse.

Contact is Kathy Holly at 513-376-1923

Merry Paterno-Sinacore:
by Kay Luczak

We begin in Long Island, New York born to an Italian Catholic family.

Growing up in Long Island, going to a Catholic school, she just wanted to be like all the other kids - sandwiches for lunch, fruit etc. Instead she had stinky cheese Eggplant Parmesan which she sold to the other kids so she could have their lunch. Believe it or not, to this day she still makes Eggplant Parmesan for her family.

In Long Island, New York, her parish priest married her and Russ. They only had one son, Russell, who married Maria and gave them three beautiful grandchildren - two boys and a girl that extended their happy family.

Working in New York she became an assistant manager, then office manager, and finally, first woman manager of security at JFK where she attended all meetings and many times was at LaGuardia for Trade Center meetings.

Merry learned to take things with some humor for when she followed her son Russell and his family down to Florida, she went to work for the Port Authority where there was always a fight because she did have a brain. She spent 10 years with the Port Authority before arriving at Plantation Village.

At Plantation Village she became the receptionist and worked there as a receptionist through three managers. When Cindy left they asked her if she would take the position of manager and she accepted. And, her vision for Plantation Village began.

Her love for Plantation Village and the people here shows in everything she does. She has a vision for making this YOUR HOME.

Looking back at her eggplant days I asked her what her specialty was, she said her specialty is “Seafood Pasta”. Maybe we can get that recipe from her??

Last year she took a trip to Italy with her sister (which she said she would love to do again). They chose Rome and I asked her why? She said Rome is a young city with the BEST food, mostly served casual family style on platters.

She said the rich history of Rome was exciting. Highlights, of course, were St Pete Cathedral, the Vatican, and meeting the pope was top on her list.

I asked if she had a bucket list what would be left on it.
1. The Florida Keys, further most southern point in America.
2. London.

Merry, we hope your bucket list surpasses the two items and that you get to explore many more adventures.

Sewing Group
The Wednesday sewing group keeps seaming along throughout the summer; in August many of us attended the Manatee Patchworkers Quilting retreat along the upper Manatee river at the Christian Retreat Center in Ellenton. Over 25 quilters attended sharing their expertise and lots of goodies, too. On August 12 the group joined the Patchworkers Guild in a Community Service day at the Salvation Army making quilts to supply a number of charities locally here In Bradenton. Where every stitch counts.
