

## Joining or Creating a Team After You Have Already Registered

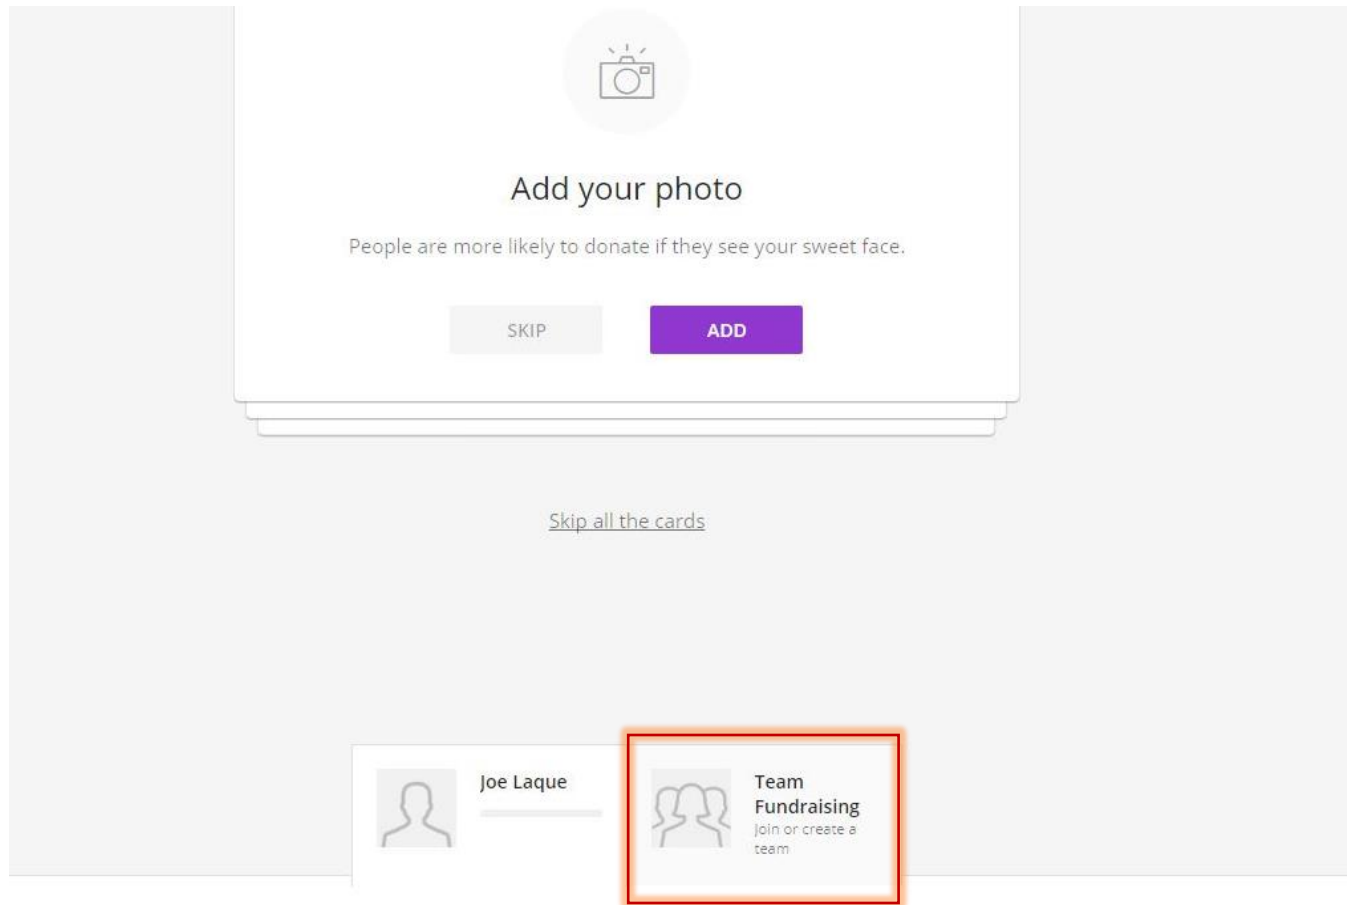

1. The easiest way to join or create a team is during your initial registration.

2. If you had already created a profile using the “As an individual” option, you can still join a team! Scroll to the top of your profile landing page and click “Manage”

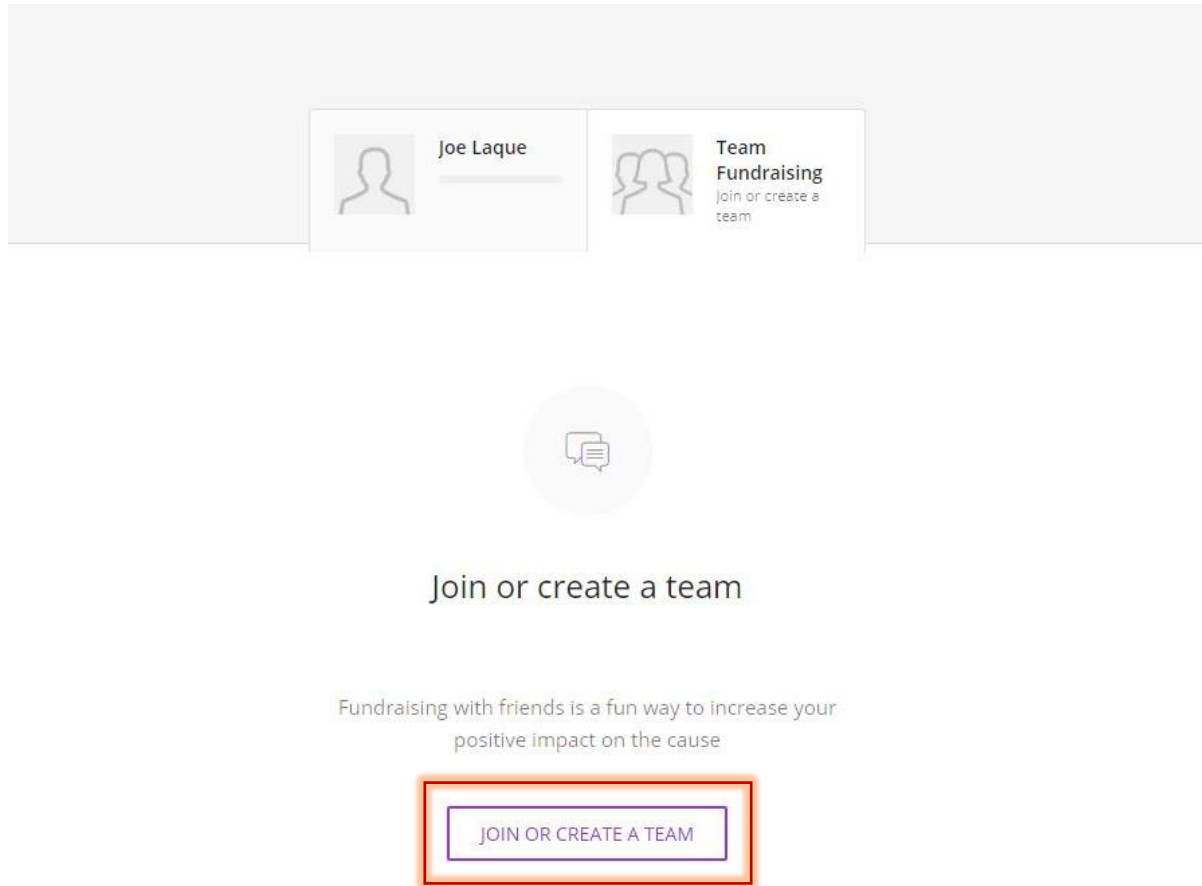

3. This will take you into the preferences of your page. Click the Team Fundraising button.

4. This will bring up the option to then select “JOIN OR CREATE TEAM”.

5. After clicking this button, you will be able to choose between joining or creating a team.

- If you choose to join a team, you will be given a list of teams that have already been created. You can either scroll through the list or search for the team you wishto join.

- Share with your friends, family, and coworkers!
