Subject: Virginia Prison Closings

The Virginia Department of Corrections has just announced that due to the coronavirus threat, all visitation in state prisons has been cancelled until further notice. This means that **all** Spring 2020 Kairos weekends, reunions, and all other Kairos inside programs are deferred until further notice.

It is up to each Kairos team to decide whether to cancel scheduled team meetings. I recommend that they be deferred. If a meeting must be held, I would suggest a telephone conference call.

In keeping with these policies, the State Chapter Committee meeting scheduled for March 28 in Charlottesville is also cancelled. For those who normally attend these state meetings, I will setup a conference call. I will send out instructions on this call as soon as possible.

Be praying for this virus threat to quickly disperse.

Carl Wright

State Chair

Kairos of Virginia
