

## Home Resort – New Rates

Please find below information and current rates on ALL of the different units the resort has to offer, please be advised that certain accommodations are only available to certain memberships seasonally and are subject to availability.

Please note that our service fees are pro-rated, (multiply the daily rate by the number of nights you wish to stay in order to calculate the total service fee to be paid), find the daily rates to calculate your pro-rate service fee amount below in **green**.

Please see below for additional resort fees.
