Quality is remembered long after the price is forgotten .....

**Canvas** are printed on high quality canvas then wrapped onto 1-inch wooden frame. Comes ready to hang with wire hangers and bumpers.

**Semi Matte** is a great quality and very affordable way to enjoy prints on paper.

**Metal** are ideal for dramatic lighting and two-tone designs. Prints are sublimated directly onto 17 gauge (0.045" thick) aluminum with a special coating in glossy, matte, and clear silver (lacks any white; where there would be white in the photo, you see instead the natural brushed aluminum texture).

**Paper Prints** come in your choice of glossy, matte, or metallic paper. Turn around time for prints are 24 hours.
