# JACKIE HILL PERRY

DO YOU KNOW WHY WE HAVE A HARD TIME BELIEVING THAT A GAY GIRL CAN BECOME A COMPLETELY DIFFERENT CREATURE? BECAUSE, WE HAVE A HARD TIME BELIEVING GOD. THE PHARISEES SAW THE MAN BORN BLIND, HEARD HIS TESTIMONY, HEARD ABOUT HIS PAST AND HOW IT WAS COMPLETELY DIFFERENT FROM THE PRESENT ONE AND REFUSED TO BELIEVE THE MIRACLE BECAUSE OF WHO THE MIRACLE POINTED TO. THEY WERE SKEPTICAL OF THE MIRACLE BECAUSE THEY DIDN'T HAVE A REAL FAITH IN THE GOD WHO'D DONE IT. THE MIRACLE WAS LESS ABOUT THE BLIND MAN AND MORE ABOUT A GOOD GOD.

# Gay Girl, Good God

*The Story of Who I Was, and Who God Has Always Been*

BY JACKIE HILL PERRY

"I used to be a lesbian."

In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She abused marijuana, loved pornography, and embraced both masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could?

At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians—God broke in and turned her heart toward Him right in her own bedroom in light of His gospel.

Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

# Letters to an American Christian

BY BRUCE RILEY ASHFORD

What does it mean to be an American Christian?

In *Letters to an American Christian*, Bruce Riley Ashford, author of *One Nation Under God*, addresses overarching issues of the relationship of Christianity and politics, speaks to the way historic Christian belief informs specific hot-button political issues, and challenges readers to take seriously both our heavenly and earthly citizenships. Written as a series of letters to "Christian"—a young college student who is a new believer—*Letters to an American Christian* will help every reader think carefully about how Christianity informs what it means to be an American.

In the midst of a rapidly changing national and political landscape, *Letters to an American Christian* reminds us of two important truths: we cannot afford to shrink away from our earthly citizenship, and we cannot afford to lose sight of our heavenly citizenship.

# Worship Essentials

*Growing a Healthy Worship Ministry without Starting a War!*

BY MIKE HARLAND

Everybody talks about the worship, but nobody does anything about it.

The well-known quote associated with Mark Twain actually goes like this—“Everybody talks about the weather”... But changing it to “worship” seems appropriate. With *Worship Essentials*, Dove Award-winning worship leader Mike Harland helps leaders do something about it.

Perhaps no subject about church generates more opinion and passion than worship. Walk with the typical church-going family on their way to the car after the service and just listen. Everybody really does talk about worship. Now, veteran worship leader and experienced ministry coach, Mike Harland, offers the tools worship leaders need to build biblically faithful and effective worship ministries without bringing the disruption that often accompanies change.

Psalms 67:5 reads, “Let the peoples praise you, God, let all the peoples praise you.” *Worship Essentials* is here to help.

## BUYING AUDIENCE

- Worship leaders
- Worship team volunteers
- Multi-generational church leaders

## MARKETING HIGHLIGHTS

- Enables pastors and worship leaders to navigate the often troubled waters of the “worship wars,” and will help churches maintain unity through developing their style of worship
- A key resource for church staffs, pastors, and worship leaders to work through as a team
- Mike Harland is a veteran worship leader and helps to lead LifeWay Worship, a division of LifeWay Christian Resources
- Harland has made several appearances on Thom Rainer’s “Rainer on Leadership” podcast, where he has been dubbed the “worship guru,” making him a go-to worship resource for church leaders

**MIKE HARLAND** grew up in Mississippi, graduated from Delta State University, and has led churches in worship leadership roles most of his life. Since 2005, Mike has served as the Director of Worship for LifeWay Christian Resources. He is a published author, Dove Award-winning songwriter, and a worship leader who sings and speaks nationally and internationally. His blog and podcast, *Worship Life*, are followed by pastors, worship leaders, and church musicians around the world. Mike and his wife Teresa serve in the discipleship and worship ministries of Brentwood Baptist Church and live in Franklin, Tennessee. They have three grown children—Lee, Elizabeth, and John.

# Mere Hope

*Life in an Age of Cynicism*

BY JASON G. DUESING

How are Christians to live in such difficult times?

Unique of all people, Christians are called to embrace a hopeful outlook on life. *Mere Hope* offers the core, Christ-centered perspective that all Christians share, and that Christians alone have to offer a world filled with frustration, pain, and disappointment. For those in darkness, despair, and discouragement, for those in the midst of trials, suffering, and injustice, mere hope lives.

The spirit of the age is cynicism. When our leaders, our families, and our friends let us down at every turn, this isn't surprising. But we need another perspective; we need hope. Rather than reflecting resigned despair or distracted indifference, author Jason Duesing argues, our lives ought to be shaped by the gospel of Jesus—a gospel of hope.

## BUYING AUDIENCE

- Christians seeking to be encouraged in this increasingly hostile and pessimistic age
- Small groups who are seeking a book to study together

## MARKETING HIGHLIGHTS

- Explores how Christians can maintain hope in an increasingly pessimistic age
- Excellent tool for small groups or discipleship groups to work through together
- Jason G. Duesing is the provost at Midwestern Baptist Theological Seminary and an important, recognized voice within evangelical circles

**JASON G. DUESING** serves in academic leadership at Midwestern Seminary and is the author of *Seven Summits in Church History*, and editor and contributing author of *First Freedom: The Beginning and End of Religious Liberty*, *Adoniram Judson: A Bicentennial Appreciation of the Pioneer American Missionary*, and other works. He is married to Kalee and together they have two sons of Adam and two daughters of Eve.

# Moments 'til Midnight

*The Final Thoughts of a Peculiar Pilgrim*

BY BRENT CROWE

“I have fought the good fight, I have finished the race, I have kept the faith.”

In the biblical letter of 2 Timothy, the apostle Paul reflected on his passing life. It was but a vapor. He was a pilgrim, passing through this life and into the next. *Moments 'til Midnight* creatively peels back the curtain of Paul's final hours. Author Brent Crowe imaginatively retells the last twelve hours of Paul's life from the perspective of the apostle himself. Along the way, readers will be encouraged to live with purpose, to redeem the time, and to embrace the awesome reality that they too are on a sacred journey.

With no more letters to write, no more churches to plant, no more sermons to preach, and no more missionary journeys to embark upon, Paul awaited his death sentence. What were his final reflections on life? How did he view the race he had run? How should you view the race set before you?

## BUYING AUDIENCE

- Readers looking for a fresh way to encounter the apostle Paul
- High school and college students

## MARKETING HIGHLIGHTS

- Creatively explores the life and ministry of the apostle Paul
- Brent Crowe is a dynamic speaker who helps to lead Student Leadership University, communicating the gospel regularly to people of all ages

# ReClaimed Church

*How Churches Grow, Decline, and Experience Revitalization*

BY BILL HENARD

It's no secret: churches are dying.

Tragically, thousands of churches in the United States are shrinking, some closing their doors forever. The key to reversing these trends, argues Bill Henard, is for a local church to recognize where it is in the church life cycle. Unless churches intentionally do something about it, many of them will follow the same pattern: from birth, to plateau, and eventually, to death. But if a church learns to identify its place within the life cycle and embraces the necessary processes, it can return to growth.

In a day when church membership has decreased, evangelistic zeal has cooled, and budgets are disappearing, *ReClaimed Church* is the tool that struggling churches need. Having previously written and taught seminary courses on church revitalization, Bill Henard uses his expertise to provide all the practical insights and instructions needed to reclaim your church.

## BUYING AUDIENCE

- Pastors looking for a help to revitalize their church
- Leaders and students seeking a model for church revitalization

## MARKETING HIGHLIGHTS

- *ReClaimed Church* is a practical tool for church planters and pastors looking to revitalize their churches
- Bill Henard is a veteran pastor and church revitalization specialist who has taught at the seminary and collegiate levels on church planting and revitalization

**BILL HENARD** (PhD, The Southern Baptist Theological Seminary; DMin, Southwestern Baptist Theological Seminary) currently serves as Executive Director-Treasurer of the West Virginia Convention of Southern Baptists. Additionally, he is an adjunct professor of evangelism and church revitalization at Southern Seminary. Bill is father to three grown children, and he and his wife Judy are proud grandparents of five.

**PRISCILLA SHIRER** is a homemade cinnamon-roll baker, Bible teacher, and bestselling author who didn't know her books (*The Resolution For Women* and *Fervent*) were on *The New York Times* Bestseller list until somebody else told her. Because who has time to check such things while raising three rapidly growing sons? When she and Jerry, her husband of eighteen years, are not busy leading Going Beyond Ministries, they spend most of their time cleaning up after and trying to satisfy the appetites of these guys. And that is what first drove Priscilla to dream up this fictional story about the very un-fictional topic of spiritual warfare—to help raise up a new generation of Prince Warriors under her roof. And under yours.

# ThoughtFull

*Discovering the Unique Gifts in Each of Us*

BY DORENA WILLIAMSON; ILLUSTRATED BY ROBERT DUNN

This encouraging story shows how life changes when we learn to value those who are differently abled and to champion the power of thoughtfulness.

Author Dorena Williamson explores the need to be “thoughtFULL”—full of thoughtfulness and awareness, particularly with those who have special needs. In this delightful story, it’s awards day at school, and Achak (a boy with Downs Syndrome) earns the award for being thoughtful. Later, when his friend Joshua sees others making fun of Achak, it’s Joshua’s turn to be thoughtful by supporting his differently abled friend. While doing so, Joshua learns important lessons about friendship, disabilities, and the value we each have as God’s children.

Also available in this series: *ColorFull: Celebrating the Colors God Gave Us*.

<sup>27</sup> So God created man in his own image; he created him in<sup>F</sup> the image of God; he created them male and female.

<sup>28</sup> God blessed them, and God said to them, "Be fruitful, multiply, fill the earth, and subdue it. Rule the fish of the sea, the birds of the sky, and every creature that crawls<sup>G</sup> on the earth."<sup>29</sup> God also said, "Look, I have given you every seed-bearing plant on the surface of the entire earth and every tree whose fruit contains seed. **2:1-3. Apologetics.** *Atheism.* *Was the universe created by accident and did it develop by chance?* The theory of evolution suggests that the universe began with an explosion: the Big Bang. However, it does not explain the origin of matter. So, what exploded? How can it be scientifically stated that "nothing" exploded but millions of galaxies and all the mass of the universe came from it? There is no scientific explanation for the origin of the universe, since its origin does not come from natural processes. God created it all from nothing. *See also Ps 104:24, 25.*

**2:4. Apologetics.** *Atheism.* *Is it true that God does not exist?* In the 1920s, Hubble, the scientist, discovered that the universe is expanding. For this to be true, there must be a beginning, a moment when the expansion began. Some scientists developed the Big Bang theory, which affirms that everything developed from a single explosion. However, they do not explain how or when the original matter appeared. Something eternal must have given a beginning to what is finite. The scientist answers, "I don't know." The Bible states that the eternal God created it all. *See also Pr 16:4.*

**2:7, 18. Counseling.** *Family. Marriage. Its origin.* God provided for the man and woman's need for fellowship for the joy of both. *See also Gn 1:28.*

**2:8, 9. Apologetics.** *Unification Church.* *Was Adam and Eve's sin sexual in nature? Did Eve have sexual intercourse with Lucifer?* Genesis is a historic book. God planted a tree in Eden and called it the tree of "the knowledge of good and evil." Though we might argue that the name is symbolic, it is clear that it was a tree. *See also Gn 2:16, 17.*

# Exalting Jesus in 2 Peter, Jude

## *Christ-Centered Exposition Commentary*

BY JIM SHADDIX AND DANIEL L. AKIN

*Exalting Jesus in 2 Peter and Jude* is part of the Christ-Centered Exposition Commentary series. Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books.

Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition presented as sermons and divided into chapters that conclude with a "Reflect & Discuss" section, making this series ideal for small group study, personal devotion, and even sermon preparation. It's not academic but rather presents an easy reading, practical, and friendly commentary.

# Preaching for the Rest of Us

*Essentials for Text-Driven Preaching*

BY ROBBY GALLATY AND STEVEN W. SMITH

*Preaching for the Rest of Us* serves as a starter's guide to text-driven preaching. Driven by the conviction that pastors hold the weighty and honorable responsibility of explaining Scripture to their congregations, Gallaty and Smith present a clear step-by-step process for representing Scripture in compelling text-driven sermons.

This unique type of preaching is the interpretation and communication of a text of Scripture driven by the substance, structure, and spirit of the text. It's not the presentation of a sermon, but the representation of a text of a Scripture. For those who don't feel trained for text-driven preaching, whose preaching template is tired and predictable, or need a preaching restart, *Preaching for the Rest of Us* provides a compelling reason and method for preaching texts of Scripture.

## Spirit-Led Preaching (Revised Edition)

*The Holy Spirit's Role in Sermon Preparation and Delivery*

BY GREG HEISLER

Preaching simply does not happen apart from the Holy Spirit. In fact, preaching is the Spirit's ministry! *Spirit-Led Preaching* helps readers understand preaching from the Spirit's point of view and teaches about the Spirit's role in both the preparation and delivery process, showing what it means to be truly empowered by the Spirit when you preach. It also explains the crucial connection between Word and Spirit as they depend on each other to bring about spiritual transformation in the lives of the congregation. This revised edition includes a new chapter on the congregation's role in relationship to the Spirit and preaching—a subject not often mentioned in books on preaching. *Spirit-Led Preaching* is a book written by a pastor to pastors and students of preaching and is filled with personal examples from the author's own preaching ministry. It has encouraged both novice students of preaching as well as seasoned pulpit veterans for over a decade.

In 2007, *Spirit-Led Preaching* won first place for the Pastor's Soul category from *Christianity Today* magazine.

# ¡Cantemos!

SING!

BY KEITH AND KRISTYN GETTY

¡Cantemos! Ha sido creado por la pasión del canto congregacional de Keith y Kristyn Getty y ha sido formada a través de viajes, presentaciones, al escuchar, discutir, aprender y enseñar a través de todo el mundo. Al crear este material ellos tenían cinco objetivos clave:

- Descubrir por qué cantamos y la abrumadora dicha y el santo privilegio que proviene de cantar.
- Considerar que cantar impacta nuestras vidas, corazones y mentes.
- Cultivar una cultura de familia que canta, en nuestra vida familiar diaria.
- Equipar a nuestras iglesias a cantar con sinceridad al Señor y a los demás en una expresión de unidad.
- Para inspirarnos para ver el canto congregacional como un testigo radical para el mundo.

También se han incluido "pistas adicionales" al final, con sugerencias prácticas para usarlas con grupos que están más profundamente relacionados con el canto en la iglesia. El propósito de Dios a través de esta irresistible visión de ver a Su pueblo cantando (personas que alegremente se unen a cantar, hermanos y hermanas alrededor del mundo y alrededor de Su trono) es incluirte, el quiere que tu, y que nosotros cantemos.

**Sing! has grown from Keith and Kristyn Getty's passion for congregational singing; it's been formed by their traveling and playing and listening and discussing and learning and teaching all over the world. And in writing it, they have five key aims:**

- **To discover why we sing and the overwhelming joy and holy privilege that comes with singing**
- **To consider how singing impacts our hearts and minds and all of our lives**
- **To cultivate a culture of family singing in our daily home life**
- **To equip our churches for wholeheartedly singing to the Lord and one another as an expression of unity**
- **To inspire us to see congregational singing as a radical witness to the world**

**They have also added a few "bonus tracks" at the end with some more practical suggestions for different groups who are more deeply involved with church singing. God intends for this compelling vision of His people singing—a people joyfully joining together in song with brothers and sisters around the world and around his heavenly throne—to include you. He wants you, he wants us, to sing.**

**KEITH GETTY** is an author, lyricist, and recording artist. Penned by Keith and long-time writing partner (Stuart Townsend), "In Christ Alone" holds the #1 position of most-frequently-sung in UK churches for the past nine consecutive years. Keith and his wife Kristyn live between Northern Ireland and Nashville with their daughters, Eliza Joy, Charlotte, and Grace.

**KRISTYN GETTY** is an author, lyricist, and recording artist. Occupying a unique space in the world of music today as preeminent modern hymn writers, Kristyn and husband Keith tour the world with their family sharing the gift of song. In re-inventing the traditional hymn form, they have created a catalogue of songs teaching Christian doctrine and crossing the genres of traditional, classical, folk and contemporary composition which are sung the world over. Kristyn and her husband Keith live between Northern Ireland and Nashville with their daughters, Eliza Joy, Charlotte, and Grace.

# Una Iglesia Conforme al Corazón de Dios 2<sup>da</sup> Edición

*Como la iglesia puede reflejar La Gloria de Dios*

A CHURCH AFTER GOD'S OWN HEART, 2ND ED.  
BY MIGUEL NÚÑEZ

Las causas de los problemas en la iglesia pueden ser diversas, pero la raíz de estos problemas es el alejamiento de la palabra de Dios. Si la base no está bien, el resto del edificio probablemente no luzca bien. En este libro, el reconocido pastor Miguel Núñez reflexiona sobre cuán poco saludable se ha vuelto la iglesia contemporánea y nos muestra cómo aportar a sanarla para que esta pueda servir en su propósito inicial. Tenemos la gran responsabilidad de honrar la institución que el Señor llamo su novia, y la forma de hacerlo es realizar un pacto de arrepentimiento a los pies de la cruz y conformarse al estándar de Su palabra.

The troubles of the church are many, and the root cause of these is the church's distance from the Word of God. If the foundation is unstable, the rest of the building is unstable. In his new book, the well-known Latino pastor, Miguel Núñez reflects on how unhealthy the contemporary church has become, and shows us how we can contribute to the healing of the church in order for it to reflect its original purpose. We have the great responsibility of honoring this institution the Lord called his bride, and the way to do that is bowing in repentance at the foot of the cross and conforming to the standard of His Word.
