### **The Miracle and the Message: 100 Years of Fatima**

by John C. Preiss

978-1-68192-167-9 (ID#**T1882**), Paperback, 160 pp., **\$15.95**

## **A Century Old – Eternally New**

2017 marks the 100th anniversary of the apparitions of the Virgin Mary to three shepherd children at Fatima, Portugal.

The message of Fatima reflects all the teachings of the Catholic faith. It's a message so simple children could understand it – but at the same time so complex that theologians are still mining its depths.

In **The Miracle and the Message: 100 Years of Fatima**, author John C. Preiss describes in amazing detail the Blessed Mother's appearances to Lucia, Francisco, and Jacinta (now Saints Francisco and Jacinta), along with all the rich background, sights, and sounds that put you into the story.

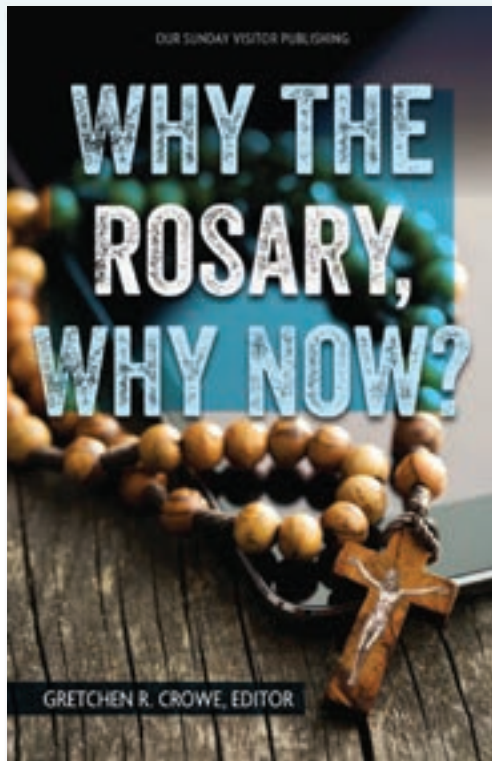

But, this is much more than a history lesson about the apparitions. **The Miracle and the Message** challenges each of us to claim the message in our own lives, and really embrace what Mary offers the Church and the World.

Whether you're very familiar with Fatima, or know very little about the events and want to learn more, you will love **The Miracle and the Message**.

### **ABOUT THE AUTHOR**

John Preiss is President of the Fatima Family Apostolate International, a Public Association of the Faithful, founded in 1986 by the late Father Robert J. Fox. The mission of the Fatima Family Apostolate International is to promote the message of Fatima and the sanctification of family life.

Using the eloquent and inspiring writings of holy men and women who share a love of, and commitment to, the Marian prayer, editor Gretchen R. Crowe makes a compelling case for why praying the Rosary is more critical in today's 21st-century world than ever before. This is not a typical "how-to book" about the Rosary. This is the "why-to book" that will inspire you to reach for your Rosary more often, and in doing so to receive the gifts it offers to each of us and the world.

We want the Mass to entertain, make us laugh, give us foot tapping music and sound-bite theology, and get it done in under an hour. Yet every Sunday many of us tune out.

Author Tim O'Malley, in a series of reflections on every part of the Mass, challenges us to turn the idea of boredom on its head, calling boredom—the “good” boredom that opens us to the quiet interior space where we can encounter God—a “sweet gift.”

It is there that full participation in the Mass becomes possible—the potential to be transfixed by a ritual, to contemplate the readings, to savor the Eucharist. To be fruitfully “bored again.”

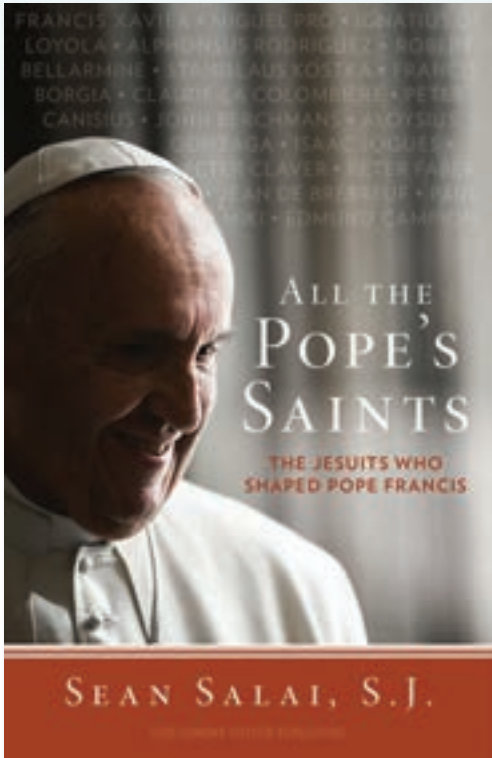

Become a **Bored Again Catholic** and rediscover the power of the Mass to change your life – and the entire world.

The Protestant Reformation began five hundred years ago, accompanied by an age of turmoil and secularism we can recognize even in our own time. Rather than shrinking from the crisis, the Catholic Church responded with even deeper, and more genuine, reform. We can do the same today.

The **Heroes of the Catholic Reformation** is a scholarly and cultured celebration of the saints who responded to the fierce oppositions of their time with courage and an authentic and lasting Catholic Reformation. Author Joseph Pearce invites us to look to these heroes for inspiration as we seek to live the fullness of Faith in our fallen world.

From snarls in the workplace to hitches on the homefront, like many people, we often find ourselves thinking: Is there any way to untangle this mess I call life?

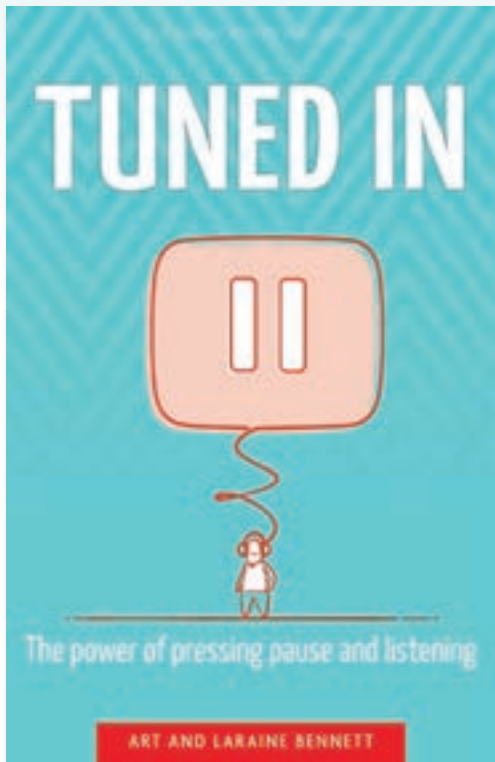

Greg Willits, Catholic author, media trailblazer, husband, and father, is here to assure you that not only has he had similar knots in his own life, but he's found the best, most effective way, of untangling those knots.

- Have a concrete plan (finally), for walking a straight path to our Lord, Jesus Christ and finding true joy along the way

“Did you say something?”

How many times have you missed something important, something real—or worse, someone real—right there in the room while you zoned out?

Allow Archbishop Sheen's wisdom to make a difference in your life. Starting today, for 365 days of the year.

**JANUARY 5**  
**Never Before ...**

Never before in the history of the world was there so much knowledge; and never before so little coming to the knowledge of the Truth. Never before so much straining for life; never before so many unhappy lives. Never before so much science; never before was it used so for the destruction of human life.

**The Divine Invasion**

God enters the soul like a thief in the night—we may choose whether to welcome Him or to reject Him, but we cannot prevent Him from invading the soul that He has made. As the sun rises without asking permission of the night, so Divine life invades us without consulting the darkness of our minds.

*Go to Heaven, 19*

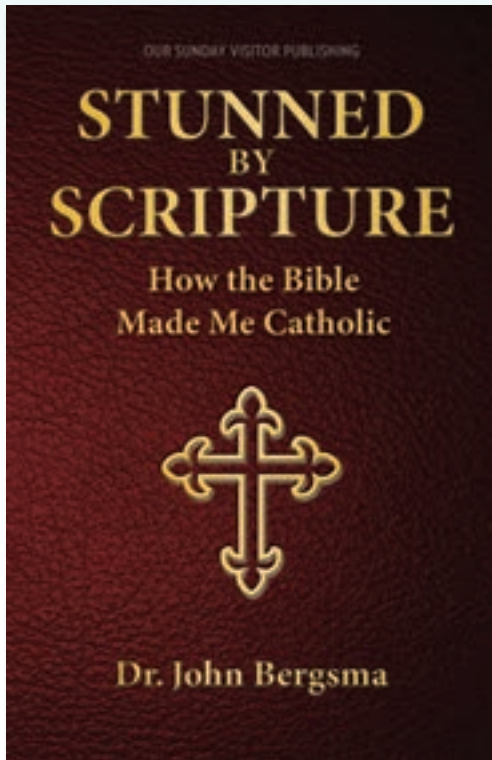

*I invite you, Lord Christ, to invade my being whenever you want, and I welcome you into my heart.*

### ABOUT THE AUTHOR

Bert Ghezzi is a popular Catholic author and speaker. He has written twenty books and hundreds of articles, which have appeared in the Catholic and religious press. He holds a PhD in history from the University of Notre Dame.

The pope, devotion to Mary, Confession . . . just where are these topics in the Bible? Why does the Catholic Church seem to focus on so many things that aren't Scriptural? Or so thought former Protestant pastor John Bergsma.

**Stunned by Scripture: How the Bible Made Me Catholic** is an engaging examination of the things Dr. Bergsma once considered obstacles to ever becoming Catholic himself. Over an eighteen-month spiritual journey, Bergsma was stunned again and again by the Biblical support he found for even the stickiest teachings of the Catholic Church.

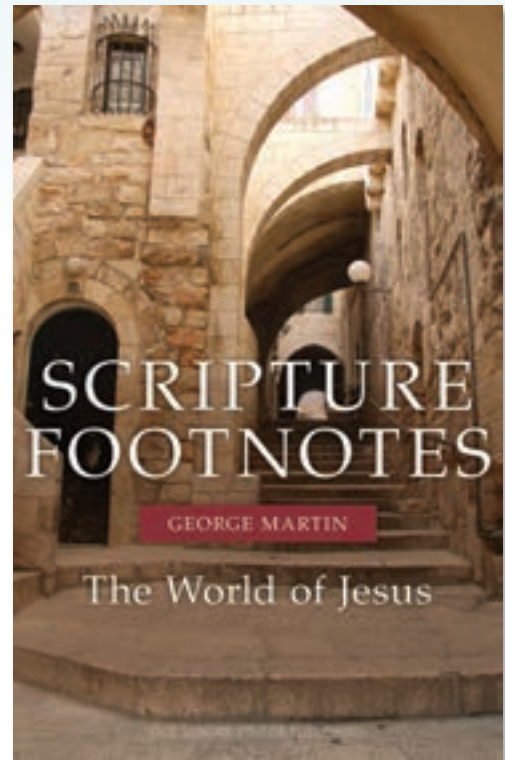

Weaving his personal story into clear explanations of Catholic teachings as found in Scripture, Dr. Bergsma explores seven key Catholic doctrines.

**Stunned by Scripture** will help Catholics understand, defend, and explain the Biblical basis for their Faith and show them how the Bible solidly supports even the most frequently misunderstood Catholic teachings.

Ever wonder what daily life was like in the time of Jesus?

What kind of clothing did people wear? What did people eat? How common was farming?

What kind of desert is there in Palestine? What is the significance of the location of Gethsemane? Why was Golgotha called "the place of the skull"? What were the towns like that He visited?

What was the Jewish world of Jesus like? Who were the people in Jesus' life? What were some of the Jewish customs of the time?

Get the answers to these and hundreds more in **Scripture Footnotes**. The four Gospels presume some familiarity with Jesus' world, and many features are mentioned but go unexplained. Scripture scholar George Martin fills in these missing pieces bringing us closer than ever to the life and times of Christ.
