## NEW! 40 Answers for Teens' Top Questions from Dr. Gregg L. Jantz

Available March 2017

### Being a teenager is tough!

*How do I talk to my crush? Why do I suddenly have zits? Why do people still treat me like a kid?* Most young teens have a lot of questions about the changes that are happening to them. Parents called it "puberty" and "adolescent" while pre-teens see it as simply "growing up." How can you talk about these changes in a non-awkward way? How can you have your teen go to you and not a stranger (or the internet) about this? Using real-life examples, questions, and simple summaries--this book can help teens (and their parents) get ready for the changes that lead to becoming an adult.

Dr. Gregg Jantz teams up with his teenage son, Greg Jr., to tackle the top 40 questions that teenagers have about relevant topics, such as music, clothes, physical changes, their love life, pornography, texting, and more! Each share unique insight as a teenager (or parent) along with practical tips to help you navigate this difficult time with ease. The idea is for teens to read their part and parents to read the "Parent Notes." Then, teens and parents come together and talk about it.

# THE TEMPLE

## The Temple

PowerPoint®

This ready-to-use PowerPoint® presentation shows beautiful pictures of the Old Testament Temple built by King Solomon and the New Testament Temple where Jesus taught. These Temples were places of worship that were built by using donations from kings and commoners. The Temple was built to honor God and to house the Ark according to the instructions given by God.

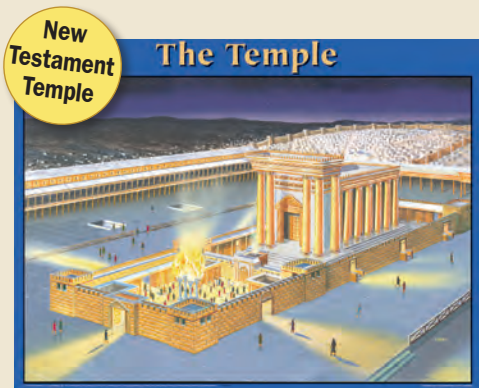

## Exclusive! Solomon's Temple

Pamphlet, Wall Chart & PowerPoint®

Now you can see the inside of the Old Testament Temple that was built by King Solomon. You can see the Ark of the Covenant, the massive gold cherubim, the huge pillars, the king's treasury, and the golden walls. The Temple was magnificent: 90 ft. long inside and 4½ stories high. It was covered with literally tons of gold, silver, and precious stones that had been collected by King David. It was to be a house of prayer for all people. God's glory filled the Temple.

Solomon's Temple pamphlet and wall chart show the key points and Old Testament symbolism of the Temple. This material also shows how Jesus is our great high priest and the perfect sacrifice for our sins. As believers in Christ, we are God's temple and God's spirit lives in us. Perfect for teaching on the life of kings David and Solomon. Reproducible worksheets included on the back. Chart size: 19" x 26". Pamphlet has 12 panels and unfolds to 33" long. 8.5" x 5.5" folded.

Dr. Wright has led thousands of university students on field studies throughout Israel, the Palestinian territories, Jordan, Egypt and the Sinai, many to out-of-the-way places not normally seen by students of the Bible.

### Why Trust the Bible

*We can trust the Bible, despite critics' claims*

Has the Bible been edited many times over the centuries and is now filled with errors? Some critics say that no one knows what the Bible really said because the originals no longer exist. Are there so many differences between the ancient manuscripts that it is impossible to know what the Bible says? Despite the variances in the ancient copies, **The Bible can be trusted**, says author Dr. Timothy Paul Jones, recipient of the Baker Book House Award for excellence in theological scholarship.

### Reliability of The Gospels

How can we be sure the Gospels are reliable? Some modern critics are claiming that the Gospels were written by people utterly unconnected with the eyewitnesses to Jesus' life, long after Jesus' death and resurrection. This PowerPoint confirms the reliability of the Gospels. Age: High schoolers and up, and will be especially helpful for those in a university setting. 100 Slides.

# ROSE GUIDE TO END-TIMES PROPHECY

*Makes it easier to understand the Book of Revelation*

With so many people talking about end-times prophecy (tension in the Middle East, Blood Moons, *Left Behind* movie, etc)—now's the perfect time to get a solid overview on this topic!

The *Rose Guide to End Time Prophecy* is an easy-to-understand overview. It helps you go through the key portions of Scripture and explains different ways that Christians have interpreted them. Simple charts and illustrations help you see the whole picture.

**If you don't know** exactly what you believe and why, this book will show the options and help you make an intelligent choice based firmly on Scripture.

**If you do know** what you believe about the end times, this book will compare your view with others. You will have a better biblical understanding of your view and will be able to explain it confidently to others.

Includes explanations and charts/diagrams for—

- Book of Revelation — four ways Christians interpret it
- Book of Daniel – the statues, beasts, goats, and the 70 weeks, and three ways to interpret the 70 weeks
- Four main Christian views of the end times: Pre-Mill, Post-Mill, A-Mill and Historical Pre-Mill
- Explanation of terms in the Book of Revelation: the Beast, 666, Millennium, Antichrist, Armageddon, and Tribulation
- Time lines of end-times events from Dispensational and non-Dispensational views
- Jesus' teachings in Matthew 24, known as the Olivet Discourse, and two ways of understanding them
- Ezekiel's temple — four ways to understand it
- The most important beliefs about the end times that all Christians hold

This book will give you confidence as you look at the Bible and events in today's newspapers. *Rose Guide to the End-Times Prophecy* will help you be better informed and have a Christ-centered, biblically based view of Jesus' second coming. Size: 7 x 9.5 inches, 364 pages. Paperback.

*"For decades, Christians have taken one side or another in the interpretation of the Bible's future events. I like the 'different views' approach because it allows believers to think and decide for themselves. Timothy's work avoids speculative extremes and helps us understand end-times prophecy from start to finish. I love the charts, diagrams, and pictures!"*

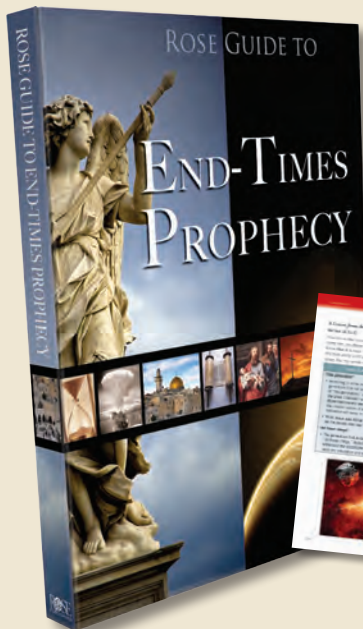

**-Dr. Hal Seed, founding pastor, New Song Community Church**

*"Timothy Paul Jones, one of the most brilliant scholars in the Christian world, takes the words of Jesus seriously, all of them, including the ones about the end. He takes them so seriously that he refuses to hide them under a bushel of scholarly jargon or of sensationalistic hype. Read and be blessed."*

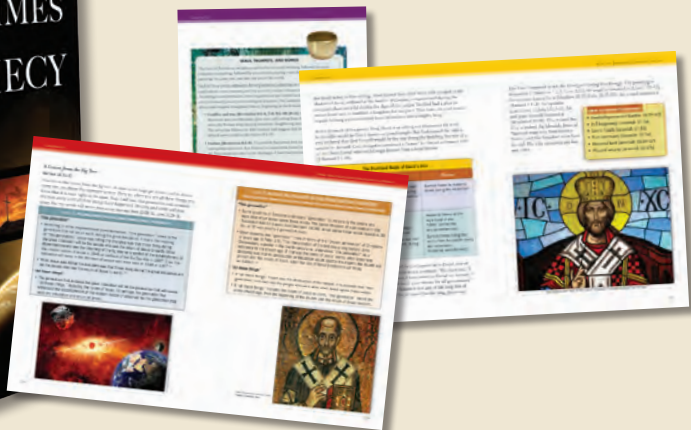

**-Russell D. Moore, Provost, The Southern Baptist Theological Seminary**

Award-winning author Dr. Timothy Paul Jones is a professor at the Southern Baptist Theological Seminary. In 2010 he won the ECPA Christian Book of the Year award in the Christian Education category for *Christian History Made Easy*.

## NEW! 40 Answers for Teens' Top Questions from Dr. Gregg L. Jantz

Available March 2017

### **Being a teenager is tough!**

*How do I talk to my crush? Why do I suddenly have zits? Why do people still treat me like a kid?* Most young teens have a lot of questions about the changes that are happening to them. Parents called it "puberty" and "adolescent" while pre-teens see it as simply "growing up." How can you talk about these changes in a non-awkward way? How can you have your teen go to you and not a stranger (or the internet) about this? Using real-life examples, questions, and simple summaries--this book can help teens (and their parents) get ready for the changes that lead to becoming an adult.

Dr. Gregg Jantz teams up with his teenage son, Greg Jr., to tackle the top 40 questions that teenagers have about relevant topics, such as music, clothes, physical changes, their love life, pornography, texting, and more! Each share unique insight as a teenager (or parent) along with practical tips to help you navigate this difficult time with ease. The idea is for teens to read their part and parents to read the "Parent Notes." Then, teens and parents come together and talk about it.

### Samson, the Strong

Forso Samson was both big and strong;  
No braver man was there;  
To show that he belonged to God,  
He never cut his hair.

His enemy, the Philistines,  
Soon learned to hate this man,  
Who carried out attacks on them,  
And fought throughout the land.

Now Samson loved Delilah, though  
A Philistine was she,  
She learned his strength lay in his hair,  
And told his enemy.

They cut his hair; put him in chains,  
But soon his hair grew back,  
He pulled a temple down on them,  
In this he found rest.

### Jonah and the Big Fish

Once Jonah climbed aboard a ship  
And tried to run away;  
Though God had set a task for him  
He dared to disobey.

God saw him fear and sent a storm,  
The waves tossed so and fro,  
Jonah knew it was his fault,  
And told the sailors so.

He made them throw him overboard -  
The storm stopped there and then,  
As Jonah sank into the depths,  
A big fish swallowed him.

Inside the fish for three whole days  
He thought about his task,  
"For sorry, God," he said, "I'm afraid,  
Then did so, God had asked.
