Scrub Jay Journeys is a publishing house that seeks to produce books that promote heroism, sacrificial love, and other virtues for youth through adventure stories that won't come across as being preachy.

Scrub Jay Journeys is a major player in the Christian YA fantasy market, and is expanding their market to new avenues worldwide.

Scrub Jay Journeys originally acquired sixteen titles by author Bryan Davis that were formerly published by AMG Publishers. The Dragons in our Midst story world (12 books) has sold more than half a million copies domestically, some of which are becoming classics. Sales of all of Bryan Davis' books combined has topped one million copies! In January of 2007, *Eye of the Oracle* hit #1 on the Christian Booksellers Association best-seller list for young adult books. Several of his other books have hit various best-seller lists.

Recent new releases published by Scrub Jay include a graphic novel based on the best-seller *Raising Dragons* and a children's "super hero" chapter book.

Scrubjay's list also includes few titles formerly published by Zondervan, which have been updated and republished as the *Time Echoes Trilogy*.
