

A winter landscape featuring a snow-covered hillside in the foreground, a dense forest of evergreen trees in the middle ground, and a large, snow-covered mountain peak in the background. The sun is shining brightly from behind the trees on the right, creating a prominent sunburst effect and casting long shadows across the snow.

## A LEOPARD TAMED

*50th Anniversary Edition*

ELEANOR VANDEVORT

INTRODUCTION BY ELISABETH ELLIOT

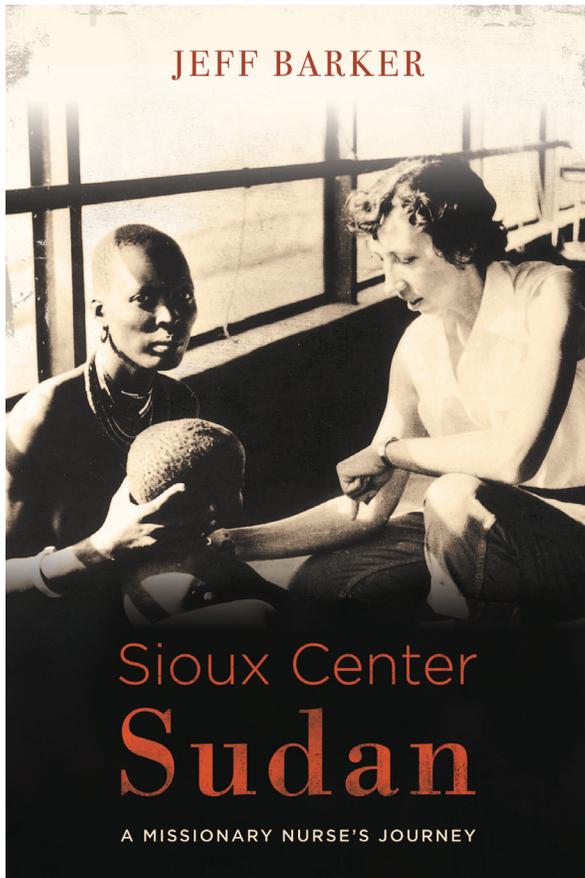

NEW INTRODUCTION BY VALERIE ELLIOT SHEPARD

The story of *A Leopard Tamed* is set in Nasir, a tiny village on the banks of the Sobat River in the Sudan. It reads like the story of another world, of another time—but it is very much of our world, our time. The author is an American missionary who lived with the Nuer tribe in Nasir for thirteen years. *A Leopard Tamed* is the vivid, exciting description of what those years were like for her.

Eleanor became friendly with Kuac, a small boy whose burning ambition was “to do the work of God.” He proved invaluable in helping her. He taught her his language, which enabled her to translate the Bible for the Nuer people for the first time. After she discovered he was a born teacher, he even led Bible classes for her.

Although Kuac is the central figure in this engrossing narrative, it is also the story of the whole Nuer tribe. This book stirs the reader with strange tribal customs—such as the brutal rites initiating young boys into manhood; a typical native wedding; detailed description of housing, cooking, child-bearing, and so on. The author transports us to a land “that lies flat on its back, rolled out like a pie crust and crisscrossed with a network of footpaths linking village to village. The path is the highway in this land, covering hundreds and hundreds of miles, the imprint of a people who walk in order to communicate and who must communicate in order to live.”

**Eleanor Vandevort** (1925–2015), who earned her bachelor of arts in 1949 from Wheaton College, spent thirteen years in Sudan, Africa, in the village of Nasir, learning “the way of the people” and translating the Bible. Upon her return to the United States in 1963, she wrote *A Leopard Tamed* (published by Harper and Row in 1968), before beginning a twenty-one-year career at Gordon College as an academic advisor and mentor to students. She considered the testimony of God’s faithfulness, forged in the fire of Africa, to be the singular message of her life and ministry.

# SIoux CENTER SUDAN

*A Missionary Nurse's Journey*

JEFF BARKER

---

Arlene Schuiteman has a lifetime of stories to tell. They ramble across the Iowa fields of her farm-family childhood, they settle into the one-room schoolhouses that nurtured her first years of teaching, and they sweep away to Africa, where her gentle hands nursed thousands.

*Sioux Center Sudan* is the story of a missionary nurse's eight years on a tiny mission station in Nasir, Sudan, during the 1950s—the golden age of missions in America. There, Arlene faced immense challenges and yet learned to trust God in spite of the difficulties, including her unwanted expulsion from the country in 1963. Only decades later would she finally see the fruit of her work.

Filled with fascinating details of intense medical situations, stories of God's faithfulness, and periods of deep and personal grief, Arlene's journal entries could serve as a chapter in any textbook on the history of medical missions. Arlene's story also intersects with those of other contemporary women missionaries including Elisabeth Elliot, Eleanor Vandevort (*A Leopard Tamed*), and Betty Greene, pilot and cofounder of Missionary Aviation Fellowship. Quotes from letters between these women are included in the book.

**Arlene Schuiteman** (b. 1924) grew up during the Great Depression on a farm north of Sioux Center, Iowa. During World War II, she taught at a one-room school. Then she experienced a supernatural event that led her to Africa and a 33-year career as a public health nurse and teacher of nurses in the Sudan, Ethiopia, and Zambia. In 2005, Arlene met Jeff Barker, who eventually wrote a series of plays based on Arlene's amazing adventures.

**Jeff Barker** teaches theater and worship arts at Northwestern College and the Robert E. Webber Institute for Worship Studies. When not teaching, you can find him in a theater or on a film set, orchestrating story-focused worship for a local church or a national conference, or challenging his students to a game of chess.

# BAM GLOBAL MOVEMENT

*Business as Mission Concept & Stories*

GEA GORT AND MATS TUNEHAG  
FOREWORD BY ALBERT M. ERISMAN

Business as Mission (BAM) is a growing global movement. Christians active in the arena of business, charity, and church are on a journey to integrate business and holistic mission. But what exactly is BAM? In this book, Gea Gort and Mats Tunehag explain the BAM concept through theory and theology, with stories to show what it looks like in real life. The authors explain that Business as Mission is an expression of a much broader movement. Ideas regarding mission, church, and charity are shifting, and a growing number of Christians are aiming for a missional way of living out the whole incarnated gospel in their daily lives where they work and live.

The inspiring stories of thirty practitioners active on all continents provide insight into how gospel *shalom* can be shared in innovative and practical ways in challenging settings: in developing nations, secularized Western cities, or even closed countries. This book will not only capture your mind and heart as you learn about Business as Mission in theory and praxis, but it will also give you a broad overview of this remarkable movement. This book provides insight into this global movement and is of interest for a broad range of people: pioneers, early adapters and leaders within church, mission, and business, but also for Bible schools and universities.

**Dr. Gea Gort**, a trained journalist, studied Transformational Leadership in the Global Urban Context at Bakke Graduate University in Seattle, where she serves as adjunct faculty and regional board member. She is passionate about innovative mission in an urban and global context. In her hometown of Rotterdam (Holland), she initiated City Prayer, directed a Christian leaders network, and advised the government on multicultural affairs. Gea has authored several books in Dutch and in English.

**Mats Tunehag** is a speaker, writer, and consultant from Sweden. For over twenty years, he has focused on developing the Business as Mission (BAM) concept as well as national, regional, and global strategic alliances of people and BAM initiatives. A global lecturer, he is also a BAM senior leader in the Lausanne Movement and the World Evangelical Alliance.

## KEEP UP YOUR BIBLICAL GREEK IN TWO MINUTES A DAY: VOL. 1

*365 Selections for Easy Review*

JONATHAN G. KLINE

If you have studied Biblical Greek, you know that even after two or three semesters in the classroom it can be easy to soon forget most of what you learned, especially vocabulary. After entering the working world, most of us who studied Greek in seminary or college find it challenging to pay much attention to the language, let alone achieve our primary goals of exegeting and meditating on God's Word in the original Greek.

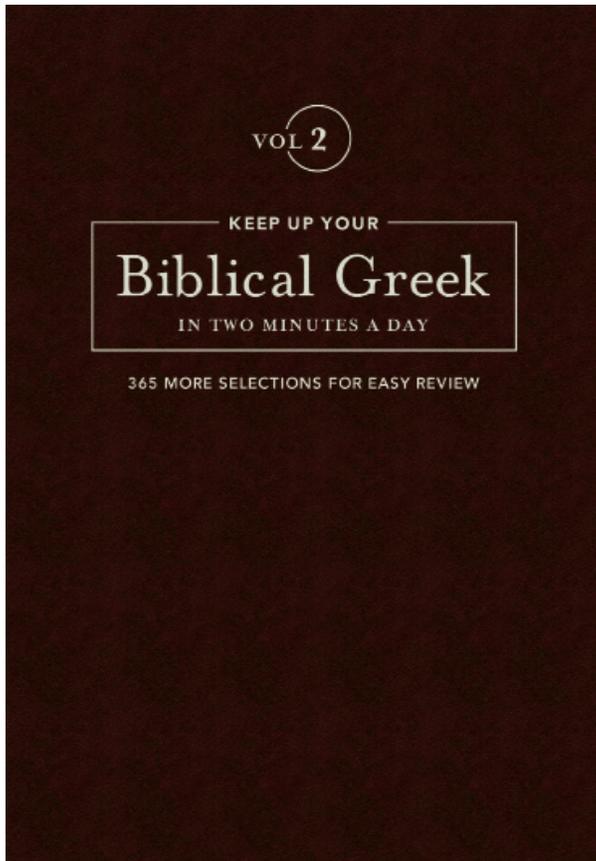

*Keep Up Your Biblical Greek in Two Minutes a Day: Volume 1* has been specially designed to build on your previous study of Greek and help you read a small amount of the New Testament in its original language every day in an easy, manageable, and spiritually enriching way. It does not replace the need for a grammar or textbook; rather, it complements grammatical study by helping you to build a robust vocabulary and to review morphology and syntax in a completely inductive way, and without using any grammatical jargon. The page for each day presents:

- one new vocabulary word, with transliteration and meanings, and two review words from earlier in the book
- the English text of a New Testament verse, with these three Greek words embedded in it, as they appear in the verse
- the Greek text of the verse, in full and then divided into phrases or clauses, with the corresponding English phrases or clauses next to them

The book presents, one day at a time and in order of descending frequency, the 365 most frequently occurring words in the New Testament (about 20 percent more vocabulary than one typically learns in a first-year Greek class).

*Keep Up Your Biblical Greek in Two Minutes a Day: Volume 1* is designed to help you reconnect with Greek in an easy and enriching way and to empower you with the vocabulary you need to begin again reading the New Testament in its original language.

*365 More Selections for Easy Review*

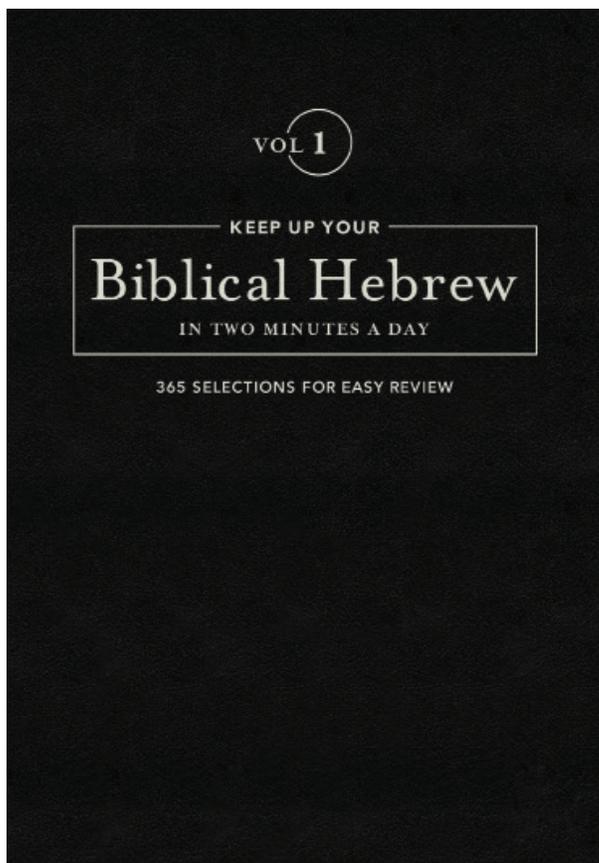

JONATHAN G. KLINE

After seminary or graduate school, very few of us can afford the luxury of spending more than a few minutes a day, if that, working on our Biblical Greek. *Keep Up Your Biblical Greek in Two Minutes a Day: Volume 2* is designed to help anyone who has retained at least a basic knowledge of New Testament Greek to refresh and deepen their skills and understanding—even in the midst of a busy schedule.

Like its predecessor volume, *Keep Up Your Biblical Greek in Two Minutes a Day: Volume 1*, this book does not replace the need for a grammar or textbook; rather, it complements grammatical study by helping you to build a robust vocabulary and to review morphology and syntax in a completely inductive way, and without using any grammatical jargon. While volume 1 helps you review the 365 most common words in the New Testament, volume 2 focuses on the next most frequently occurring group of 365 words (those that occur between 41 and 16 times in the New Testament), likewise presenting these words one day at a time in order of descending frequency, and in the context of verses in which they appear. The structure and daily components found in volume 2 are identical to those of volume 1 and thus will be immediately familiar to anyone who has used that book.

After working through *Keep Up Your Biblical Greek in Two Minutes a Day: Volume 1* and just the first 90 days of volume 2, you will have seen all the vocabulary you need in order to engage with any verse in the New Testament with the help of a resource such as the *UBS Greek New Testament Reader's Edition*. And by the time you finish volume 2, you will have read through 730 verses of the New Testament in the original Greek!

# KEEP UP YOUR BIBLICAL ARAMAIC IN TWO MINUTES A DAY

*365 Selections for Easy Review*

JONATHAN G. KLINE

Most of us who have studied Biblical Aramaic in seminary or graduate school find it difficult to read the Aramaic portions of the Bible with ease or solid comprehension. *Keep Up Your Biblical Aramaic in Two Minutes a Day* has been specially designed to help you read a small amount of Biblical Aramaic daily, in a manageable, enriching, and enjoyable way. It does not replace the need for a grammar or textbook; rather, it complements grammatical study by helping you to build a robust vocabulary and to review morphology and syntax in a completely inductive way, and without using any grammatical jargon. The page for each day presents:

- two new vocabulary words (for most of the book), with transliteration and definitions, beginning with the most common words and proceeding to the rarest
- the English text of a verse from Daniel or Ezra, with the day's two Aramaic words embedded in it, as they appear in the verse
- the Aramaic text of the verse, in full and then divided into phrases or clauses, with the corresponding English phrases or clauses next to them

More than one-third of the words in Biblical Aramaic appear only once in the Bible. When these *hapax legomena* begin to be presented in *Keep Up Your Biblical Aramaic in Two Minutes a Day* (about three-fifths of the way through the book), all that appear in a particular verse (whether this be one *hapax legomenon*, two, or several) are presented together as the new words for the day. The result is that—although there are 716 unique vocabulary words in Biblical Aramaic—by the time you reach the end of this book you will have seen every single one of these words. And during this process, you will have read most (about 80 percent) of the Aramaic verses found in the Bible!

*Pamphlet*

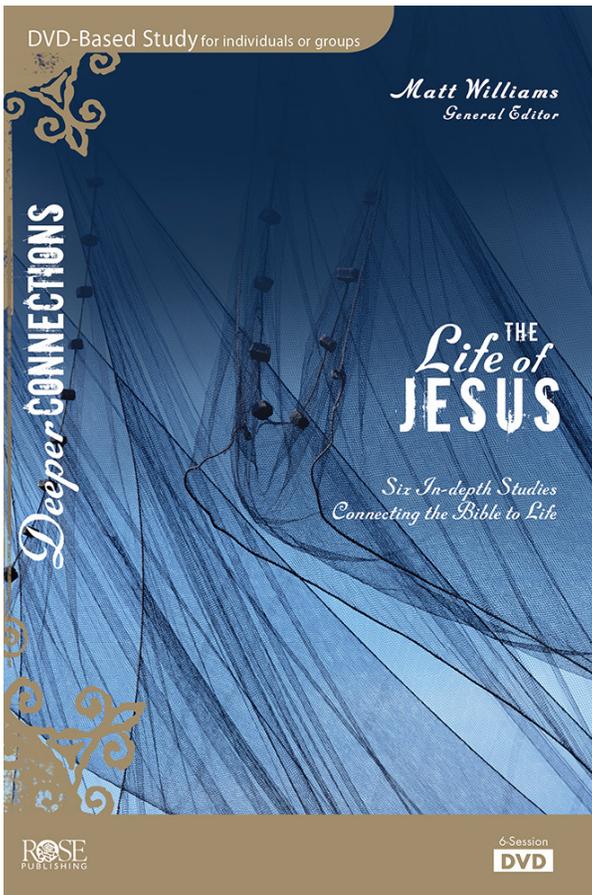

Paul's famous passage on love, 1 Corinthians 13, is often quoted during weddings, but it has a far greater application in today's world. This beautiful, full-color pamphlet unpacks this meaty chapter without sentimentalism, examining and applying the hard work of loving another human being: a spouse, child, friend, or neighbor.

Understand the teachings and insights in depth to help you grow in your ability to love others with "no strings attached." Learn how to spot the pitfalls that can sabotage relationships, such as envy, selfishness, and pride. Contains incredible insight for all relationships—marriage, friendship, family, and more!

What are you supposed to do when the new life Jesus promised doesn't turn out the way you expected? *The Life of Jesus* DVD study, the fourth released DVD in the Deeper Connection series, invites you to see the behind-the-scenes truth of key events of Jesus' life. Six professors with specialized areas of knowledge emphasize three components: 1) historical and cultural background; 2) an engaging, close look at the biblical text and its meaning; and 3) an accurate, encouraging, and challenging application of the Bible's message to us today.

This is unlike other DVD studies available! Each session begins in Israel, making it easier to experience and understand the cultural background of key events from Jesus' life.

Session Overview:

1. Birthday Surprise: Jesus' birth
2. John Prepares the Way: Baptism of Jesus
3. The Victorious Son of God: Temptation of Jesus
4. Fishing with the Master: Jesus Calls the Disciples
5. Disease Conquered: Jesus Heals the Sick
6. Defeating the Enemy: Jesus Casts Out Demons
