November 5, 2018

Dear Publishing Colleagues,

In January 2018, you received the announcement that Riggins International Rights Services, Inc. had a new operating name of Mosaic Rights Management. The news was met with excitement. However, even with our initial due diligence, we were unable to secure a trademark for the new name.

We are saddened to announce that we will abandon the Mosaic name rather than continue to invest to protect it. We had retained our corporate name, so will return to its usage, but operate in the shortened form of **RIGGINS RIGHTS MANAGEMENT**. For our first 15 years, most people referred to us as Riggins Rights, anyway.

In late November, our IT contractor will switch our web domain from mosaicrights.com back to rigginrights.com. However, if you forget, both will work for a while.

Please make note of the email addresses to contact our team...you can also email rights@rigginrights.com and your email will be forwarded to the appropriate person:

- Catherine Whitehead, catherine@rigginrights.com – Vice President responsible for Asia and Middle East rights and contract management
- Jennifer Myers, jennifer@rigginrights.com – Director, English subsidiary rights for North America for all clients, plus NRSV, RSV, RSV-CE scripture rights worldwide.
- Marcos Simas, marcos@rigginrights.com – Rights Manager, Portuguese and Spanish languages
- Nadiyka Gerbish, nadiyka@rigginrights.com – Rights Manager, European and Nordic languages
- Cindy Riggins, cindy@rigginrights.com - President and rights manager for English rights outside North America.

Our team is ready to continue serving your acquisition needs. Let us know how we can be of assistance to your publishing program.

Sincerely,

A handwritten signature in blue ink that reads "Cindy Riggins".
