You are invited to attend the new [European Christian Rights Fair](#) being held in Krakow, Poland, March 18 to 20, 2019 at the beautiful Domus Mater retreat center. Rights and sales professionals from around the world are encouraged to attend this three-day event presented in cooperation between ECPA, LSRA, and CLC International.

### **The European Christian Rights Fair is designed for you**

With two full days, March 18 and 19, of rights and licensing negotiations, the European Christian Rights Fair provides a unique opportunity to have face-to-face conversations with key rights and licensing managers in the Christian market. A highlight of this event will be a day of training and education on Wednesday, March 20.

ECPA represents the interests of 140 members, including international Christian publishers and industry service providers. With experience in managing the rights collectives at both the London Book Fair and the Frankfurt Book Fair, ECPA is excited to present the new European Christian Rights Fair.

ECPA is committed to its mission of serving its members and all those in the Christian publishing community worldwide to make the Christian message more widely known. I am honored to represent ECPA in Krakow in support of the global community of rights professionals and their publishing clients.
