Fighting for Your

MARRIAGE

While Separated

*A Practical Guide
for the Brokenhearted*

LINDA W. ROOKS

Fighting for Your Marriage While Separated

A Practical Guide for the Brokenhearted

Linda W. Rooks

A home ripped apart by one spouse leaving reverberates with a host of unanswered questions. Simple answers don't exist—heartrending complexities do. In the midst of the turmoil, reconciliation may seem out of reach. But there is still hope for those who are willing to fight for their marriage.

In this transformative guide, men and women who are separated but hopeful for restoration will discover life-changing truths about God, themselves, and their marriages. Linda W. Rooks explores practical answers for men and women in the midst of a marriage crisis.

After finding hope, strength, and encouragement for their marriages in Rooks's first book, *Broken Heart on Hold*, many readers continue on their journeys with new questions as they take the next step. *Fighting for Your Marriage While Separated* begins where *Broken Heart on Hold* left off, continuing to guide readers through the labyrinths of separation, this time with practical answers to their questions.

From diving into topics such as relationship dynamics and healing, protecting children, and praying for restoration, to deciding on boundaries and learning to live with the same spouse in a new marriage, Rooks illustrates what reconciling and rebuilding a marriage looks like—and how the sweet intimacy of Christ is in the waiting.

Through biblical wisdom, the personal experience of navigating toward her own marital restoration after a three-year separation, and ten years of ministry to marriages in crisis, author Linda W. Rooks offers hope to many who feel hopeless by sharing true stories, practical answers, and truth to guide readers along their journeys toward wholeness.

Tying Their Shoes

A Christ-Centered Approach to Preparing for Parenting

Rob & Stephanie Green

Through a gospel-centered approach to parenting, *Tying Their Shoes* by Rob and Stephanie Green lays the foundation for expectant parents to welcome a new addition into their home in light of the gospel. First-time, soon-to-be parents, and parents expecting an additional child will find Christ-centered hope, practical advice, and encouragement toward parental unity in this invaluable resource.

The challenges of parenting do bring stress, but this book guides expectant parents to turn toward the Lord with all of the strains of this new season of life. Sharing from both a mother's and father's

perspective, Rob and Stephanie Green dive into the goal of parenting, the blessings of parenting, pregnancy and labor, marital intimacy, biblical discipline, and other practical realities of first-time parents.

Above all else, Rob and Stephanie equip soon-to-be parents to create a gospel-centered home and mind-set, lovingly pointing couples to our Father who cares for his children and is with them every step of the way.

Don't Blame the Mud

Only Jesus Makes Us Clean

Marty Machowski

Illustrated by Craig MacIntosh

For young readers and families, *Don't Blame the Mud* paints a vivid and accurate picture of sin and God's plan of redemption. Written by best-selling children's author Marty Machowski, this beautifully illustrated picture book teaches children how to recognize the lure of temptation and the truth that bad choices lead to bad consequences.

One day, Max takes the muddy path along the creek home, disregarding his mother's reminder to keep his school clothes clean. After crashing into a mud puddle, he tries to hide his mistake and discovers the stain of his sin goes deeper than the mud he can wash away. In this lovable, relatable, and heartwarming tale, Max learns his heart needs to be cleaned, and Jesus is the only one who can wash away his sin.

By clearly articulating the gospel, *Don't Blame the Mud* helps parents create an environment of confession so kids can own up to their own mistakes—in the freedom of Christ—rather than place the blame elsewhere. Parents, teachers, and caretakers can help

children identify with the real-life draw of temptation and the real-life consequences of sin, understanding the value of God's salvation through the cross. Instead of teaching kids how to deal with a problem, Machowski uncovers the real issue of sin and provides a gospel answer.

Between Us Guys

Life-Changing Conversations for Dads and Sons

Joel Fitzpatrick

This easy-to-use, life-changing book for fathers and sons gives readers the tools to have important conversations with boys about life, faith, and being a man. With a conversational and captivating tone, fathers and other caregivers are guided into having gospel-focused conversations with boys about a wide range of topics from social justice and friendships to money, anger, and more.

Dads are given an incredible opportunity to be one of the primary influences in their children's lives for the gospel. By inviting conversations in every arena of life, fathers pass down the message of Christ to the next generation. As a youth and family pastor and father to a young boy who's entered into many of these conversations, Joel Fitzpatrick knows it's important not to shy away from difficult subjects.

But he also knows dads and other caregivers need help in how to have intentional conversations with boys about God, themselves, and what difference knowing the gospel makes to their everyday life. Fitzpatrick invites fathers to share with their sons how the gospel shapes all aspects of life, including how they treat women, people

from other ethnic groups, and much more. Specific, practical help is given to dads through suggested activities, God's Word, and insightful questions.

In a world where television, the internet, social media, and gaming culture have taken away from quality time spent between fathers and sons, *Between Us Guys* urges readers to lean in to important conversations with the grace and knowledge of Christ.

God Made Boys and Girls

Helping Children Understand the Gift of Gender

Marty Machowski

God Made Boys and Girls helps children understand that their gender is a gift from the God who made them and loves them. The story begins as the girls and boys at Grace Christian School are discussing if boys will always be boys and girls will always be girls. Their teacher explains that God gives each of us the gift of being male or female before we are born, and that you continue to be a boy or a girl whether you like to climb trees or play house, play tag or color pictures, cause a ruckus or sit quietly.

In a world where there is so much confusion about gender and identity, pastor and best-selling author Marty Machowski shares the simple, clear truth that all of us are made in God's image as either male or female—and what God made is very good! Included at the back of the book is a special section just for parents and caregivers that gives biblical guidance and help as they have this important conversation with their children.

Steve Brown

This attitude-altering book invites Christians to cultivate boldness and humility in communicating gospel truth. By uncovering self-righteousness and spiritual arrogance, *Talk the Walk* by pastor and author Steve Brown shatters stereotypes and helps believers consider how they present the good news without watering it down.

The Mission-Centered Life

Following Jesus into the Broken Places

Bethany Ferguson

In this in-depth study of how the gospel gives us the motivation and sustaining grace for missional living, Bethany Ferguson draws on her fifteen years of missions experience to examine the reasons believers should pursue lives of service and evangelism. *The Mission-Centered Life* explores why holistic missions is needed, how God's grace empowers us to serve in places of need, what to do when we fail as missionaries, and how to cultivate hope in the midst of a broken world.

For Christians who long to serve God in broken places but aren't sure where to start, Ferguson speaks to the "whys" and "hows" of missional living.

Designed for personal reflection and small group discussion, Ferguson provides Scripture study, profound application and questions, as well as essays and personal stories to illustrate the importance of missions—both for the missionary and the community being served by the missionary.

Some books on missions tend to focus on the adventure or challenge of living cross-culturally. Others focus on the number of conversions as the primary measurement of success. *The Mission-Centered Life* offers instead the option to explore how our weakness and need is what prepares us to serve a needy world. Ferguson invites readers to take on a posture of humility, which is vital for the church desiring to be relevant in the world. This invaluable resource reminds others to see how we are like those we come to serve and how we can learn from them.

Find confidence in God's missional purposes in the world and a deeper understanding of life with Jesus, who pursued the marginalized as shown in the book of John. Anchor your hope to Christ, who moves us out of our comfort zones to care for the needs of the world.

God Made Me Unique

Helping Children See Value in Every Person

Joni and Friends

Illustrated by Trish Mahoney

God Made Me Unique, a beautifully illustrated picture book, helps parents and caregivers teach children that God creates every person in the image of God and each individual has tremendous value, regardless of his or her appearance or abilities. The story is set in a Sunday school classroom where a new girl, Brie, is introduced by her mom. Brie's Sunday school teacher takes the time to welcome Brie and to explain to the other children why she is wearing headphones. Through getting to know Brie, the children are guided into a biblical understanding of the uniqueness of each of God's children. Along the way they learn to ask questions and gain an understanding about their new friend.

Told in a charming rhyming style, this colorful, hardcover book will help eliminate fear and misconceptions about those who have special needs and emphasizes that every person deserves to be treated with kindness and respect. The back of the book contains a special section just for parents and caregivers that will guide them in how to

have biblical, loving conversations with children and gives them additional information and resources to equip them in talking about this important subject. Like *God Made All of Me* by Justin and Lindsey Holcomb and *God Made Me AND You* by Shai Linne, *God Made Me Unique* gives parents the tools to have important, impactful conversations with their children that will grow their understanding of God, themselves, and others.

GRANDPARENTING

LIVING THE GOSPEL WITH THE
NEXT GENERATION

Grandparenting with Grace

Living the Gospel with the Next Generation

Larry McCall

In this practical and biblical resource for grandparents, Larry McCall helps readers confidently carry out their mission of gospel-focused grandparenting. *Grandparenting with Grace* explores how to build a legacy of a life worth following and how to faithfully pray for grandchildren.

What does God say about grandparents and grandchildren? Rather than relying on personal stories and ideas alone, *Grandparenting with Grace* seeks to explain from Scripture the “what,” “why,” “who,” and “how” of grandparenting.

Readers hungry to know more about God’s calling for this role will find inspiration, encouragement, and gospel hope. As a parent to three and grandparent to six, the author shares his personal experiences coming alongside his children in supportive ways as they seek to raise their kids—his grandkids—in the ways of Christ.

Many people in our culture look at grandparenting primarily as an opportunity to make occasional fun memories with their grandkids.

There’s often little thought given to the idea of intentionally and spiritually pouring into grandchildren.

McCall urges readers to look at grandparenting from an eternal perspective, considering how to be involved in their families in God-honoring ways. By applying biblical wisdom, grandparents can also strengthen the local church as they continue to see and pursue God’s calling to present the gospel to the coming generations.

Radically Different

A Student's Guide to Community

Champ Thornton

Radically Different by best-selling author Champ Thornton is an insightful guide for middle and high school students who want to live radically even though life and relationships are complicated. By examining life through the biblical lenses of creation, fall, and redemption, readers can explore how God's Word untangles the twists of life.

There are so many areas of life to navigate when growing up, and this practical resource full of biblical wisdom helps middle and high school students find encouragement in the everyday challenges of life.

God made everything, including relationships, to be good. But because of the fall, everything—including relationships with parents, friends, and siblings—are also broken. Christ came to make all things new, and because of this biblical perspective, readers of *Radically Different* can know with clarity they are set apart as unique.

Thornton invites teenagers to consider how they are set apart—especially in a time when Christianity is more and more culturally marginalized. He guides them to embrace what it means to live Christianly in a morally murky and increasingly hostile world.

Radically Different helps teenagers live in and relate to the reality of good, bad, and new, which makes us radically human, radically biblical, and radically different.

Study Guide with Leader's Notes

Joni and Friends

The Gospel in Hard Times for Students, by Joni and Friends, is a faith-bolstering small group resource that illustrates how suffering is a catalyst that can deepen our understanding of God's plan.

Through eight in-depth sessions, this resource points to Jesus, our Good Shepherd, for answers to today's hard questions.

This study guide includes leader's notes, real-life stories for discussion, biblical application, suggested video clips, and action plans to demonstrate how Jesus identifies with our sorrow. This study guide invites readers to see that how we choose to react and manage hardship has life-altering potential.

In this small group resource, students can learn how the church carries the burden of suffering, seeking gospel answers to questions such as, "Why am I going through this?" and "Where is God when I need him?"

The Gospel in Hard Times for Students explores how a loving faith community—one body with many parts—can not only meet our needs but also help us walk alongside others who are afflicted, disabled, and marginalized.

God, You, & Sex

A Profound Mystery

David White

In this important and engaging biblical teaching on sexuality, David White helps readers develop a Scripture-based perspective on human sexuality that goes beyond “just wait until you’re married.” *God, You, and Sex* doesn’t sidestep the sexual revolution that has finally come to bitter fruition in teen and young adult “hookup” culture. In the face of these messages and the pervasiveness of sexual temptation, White helps men and women find compelling reasons to obey God with their sexuality.

This book addresses how the church has made sex more important than God ever intended. By establishing a positive theology of sex from Scripture, White ultimately points to Christ as the Bridegroom and sheds light on broken sexuality, pornography, same-sex marriage, sex outside of marriage, and other relevant topics.

Real Change for Students

with Leader's Notes

Andrew Nicholls & Helen Thorne

Edited by David Powlison

Every honest Christian knows the need for change. But how to get there? How do young adults move forward from struggles both big and small? And how does our faith in God affect our everyday thoughts, feelings, and actions?

In this six-session small group resource for teenagers, participants have the opportunity to reflect on one particular area in their lives and then to learn more about how God changes us to become more like Jesus. All of us struggle to love God and those around us, but God has promised to keep working on us. And God always keeps his promises. The change his gospel produces will make your life and your relationships truly beautiful.

This self-contained resource with leader's notes will encourage small group participants to understand and apply a biblical view of change to their lives and relationships.

Real Change for Students is based on the CCEF model of change from David Powlison's course, *Dynamics of Biblical Change*. The easy-to-use six lesson format and included leader's guide

encourages students toward an honest discussion of their own struggles while providing an understanding of how a relationship with Christ brings change.

Topics addressed include understanding how we typically respond to trouble and pressure; how the cross of Christ brings comfort, help, and change; and how we can grow to be like Christ in the hardest circumstances.

Within this small group resource are biblical insights, discussion questions, and a personal change project to help young adults seeking to change negative patterns and live by faith in all circumstances. While the study material is designed for teenagers within small groups, it can also be used for one-to-one discipleship study, too.

Rooted in Scripture, *Real Change for Students* draws on the established CCEF "Three Threes" model of change in simplified form to help young adults better understand biblical change and grow to be more like Jesus in everyday life.

Standing Firm in Spiritual Battles

David Powlison

Safe and Sound by best-selling author David Powlison guides readers to see the normality of their struggles with themselves, the world around them, and the powers of darkness.

Counselors tend to be interested in what they can easily describe: psychological dynamics, social influences, and physiological givens. But how does the uncanny power of darkness fit in with the more accessible factors in a person's life?

By carefully unpacking Ephesians 6 with vivid case studies and biblical wisdom, Powlison helps readers humanize those struggles and bear the relevance of the love of God in Christ for those struggles.

In this helpful guide, Powlison addresses many questions with gospel answers regarding the reality of spiritual warfare, including "What is spiritual warfare?" and "How does Ephesians disciple us in spiritual warfare?"

Safe and Sound presents Ephesians as a book about our conflict with darkness—within ourselves, with other people, and with the

spiritual forces of evil. Powlison demonstrates how the message of Christ's triumph over all that is evil, dark, and deadly rings true, and how spiritual warfare is our participation in the Lord's cosmic war with darkness.

To stand up against evil, Powlison encourages readers to pray pointedly and listen to Scripture intently, standing with other brothers and sisters in Christ and relying on the strength God himself gives.

The Power of Words to Hurt or Heal

Samuel T. Logan, Jr.

The Good Name by Samuel T. Logan encourages readers to see the dangers of “false witness” among Christians, especially when dealing with disagreements, which can cause damage to individuals, the church, and the good name of Jesus. By exploring what it means to be a true witness in the Bible and the Christian church, Logan emphasizes the power of words—both divine and human—and explains how our Christian responsibility is to honor others in truth and respect, especially when we disagree.

This powerful book draws on Scripture and historical evidence of all the damage that verbal nastiness of Christians has done to the cause of Christ.

The Moon Is Always Round

Jonathan Gibson

Illustrated by Joe Hox

Even young children want answers to the hard questions about God and suffering. In *The Moon Is Always Round*, seminary professor and author Jonathan Gibson uses the vivid imagery of the moon to explain to children how God's goodness is always present, even when it might appear to be obscured by upsetting or difficult circumstances.

In this beautiful, full-color illustrated book, he allows readers to eavesdrop on the conversations he had with his young son in response to his sister's death. Father and son share a simple liturgy together that reminds them that, just like the moon is always round despite its different phases, so also the goodness of God is always present throughout the different phases of life. A section in the back of the book offers further biblical help for parents and caregivers in explaining God's goodness to children. Jonathan Gibson reminds children of all ages that God's goodness is present in the most difficult of times, even if we can't always see it.

Jonathan Gibson (PhD, Cambridge) is ordained in the International Presbyterian Church, UK, and is Assistant Professor of Old Testament and Hebrew, Westminster Theological Seminary, Philadelphia. He is co-editor with Mark Earngy of *Reformation Worship*, contributor to and co-editor with David Gibson of *From Heaven He Came and Sought Her*, and *Covenant Continuity and Fidelity: A Study of Inner-Biblical Allusion and Exegesis in Malachi*. He is married to Jacqueline, and they have two children: Benjamin and Leila.

Eric McLaughlin

Promises in the Dark by Dr. Eric McLaughlin strengthens the hearts of readers to persevere in God's calling to walk with those in need. As a missionary doctor in Africa, McLaughlin knows how walking closely with those who suffer and bearing others' burdens can easily lead to burnout or cynicism—unless we find the path to perseverance that the Lord provides.

This resource explores how to find both calling and hope, living in the tension between a difficult present and God's promises of renewal, how to cope with despair and futility, the importance of the suffering God for those who suffer, and how the manifestations of God bring life into a dying world.

McLaughlin explores how to endure in such a yet-to-be-redeemed world as ours, which is full of tragedy and heartache, pointing to God's promises.
