## Overcomer Movie Synopsis

Sony/Affirm

John Harrison knows exactly who he is: a respected high school basketball coach with a team on the path to a state championship. But when the largest manufacturing plant in town suddenly shuts down, life changes overnight for Coach Harrison.

As hundreds of families begin moving away, John must come to grips with the challenges facing his family and his team. Urged by the school's principal to fill-in and coach a sport he doesn't know or like, John is frustrated and questioning his worth... until he crosses paths with a student struggling with her own journey.
