WHAT IS D-LIFE?

Living the D-Life means living a lifestyle of disciple-making. Think about it. What if you could successfully equip and empower everyone in your ministry for a lifestyle of disciple-making? What if everyone embraced disciple-making as a way of life instead of a program of the church? What if believers all over the world started living out their supreme purpose in life and started making disciples just like Jesus? This would be a game changer!

TIME TO REVIVE

The premise behind the Time to Revive New Testament is the belief that sharing the gospel does not need to be elaborate. The colored thumb tabs make sharing one’s faith simple and straightforward.

The English Time to Revive New Testament Bible uses the New American Standard Bible translation. The Spanish version uses the RVR60 translation.

Additionally, there is a complete version of the Bible tabbed with parallel passages marked for each step in the Old Testament and the New Testament.

USES FOR THE TIME TO REVIVE BIBLES

- Street Evangelism
- Vacation Bible Schools
- Sunday School Classes
- Prison Ministries
- Door-to-Door Evangelism
- Benevolent Ministries
- Businesses
- Waiting Rooms
- Church and College Evangelism Classes

HOW TO USE

Sharing the gospel of Jesus Christ does not need to be complicated. The Time to Revive New Testament is designed to lead an individual to an understanding of the gospel by moving systematically through a series of marked verses in an actual Bible. The colored thumb tabs make sharing one's faith simple and straightforward. It is the Holy Spirit who leads someone to a saving knowledge of Jesus Christ, but it is a believer's responsibility to share this good news with others.

STEP 1: LOVE

One way we can begin a conversation with someone about Christ is to simply pray for them. Emulating the love of Christ means being sensitive to the needs of others. When we ask someone if we may pray for them, we open the conversation to a spiritual realm.

STEP 2: LISTEN

When we ask someone how we can pray for them, we have an opportunity to listen to the needs of their heart. Listening shows caring, and caring leads to deeper, more meaningful responses.

STEP 3: DISCERN

After praying for the individual on a personal basis, then share one of the Time to Revive wristbands. The bands are color coded and embossed with Scripture references that match the Time to Revive Bibles. Leave the band as a gift and a reminder of the prayer you prayed. If you discern that the individual is open to a deeper conversation, then share how to use the references to the verses, and ask if you can share a Bible with them.

STEP 4: RESPOND

Using the Time to Revive marked Bible, simply walk a person sequentially through the colored thumb tabs: yellow - black - red - blue - green. Allow them to read the highlighted verses out loud for themselves. Let the Holy Spirit lead your conversation. Explain the verses that walk through sin (yellow) - death (black) - love (red) - faith (blue) - life (green). This New Testament can not only help lead someone to Christ but can also call someone to become a disciple of Christ and make disciples as well. The orange tab includes three short lessons about being "New in Christ," "Growing in Christ," and "Sharing Christ." Our prayer is that this Time to Revive New Testament will be the tool that will help you do just that.
