## Seven Sayings from the Heart of Christ on the Cross

Robert J. Nash

Jesus's words in Scripture capture who he was and what he was about. His last words on the cross, over two thousand years ago, offer gospel hope for our spiritual journeys today.

In this powerful, moving book, author Rob Nash explores a fresh perspective on a familiar event, guiding readers into the forgiveness, hope, comfort, and compassion of Christ's words in his final moments on earth.

While pivoting history, Jesus graciously offers encouragement for Christians today and hope for seekers looking for significance in his death. In this glimpse into the heart of Jesus, Nash helps men and women find historical truths about Jesus's love for the church in his death and resurrection.

*Last Words* includes a discussion guide for small groups and a devotional prayer at the end of each chapter to help readers relate to God. For easy reference, men and women can find a Scripture index in the back of the book.

Come and ponder the wisdom of Christ and see for yourself a new view of the cross.

# Parenting First Aid

## Hope for the Discouraged Study Guide

Marty Machowski

As a companion small group resource to *Parenting First Aid* by Marty Machowski, this study guide reminds parents they aren't alone in their struggles, providing an opportunity to talk about their challenges and pray for and encourage other parents.

Each of the ten chapters of *Parenting First Aid Study Guide* contain book excerpts, Scriptures for encouragement, and questions to help stimulate discussion and application exercises. Machowski reminds men and women to rest in God's sovereign ability to reach and rescue their children. Unlike many other Christian parenting books, this resource helps moms and dads find comfort and hope in Christ rather than relying on techniques or to-do lists that fail to deliver what they seem to promise.

So many moms and dads hide their child-rearing struggles, but by sharing together and praying for one another in a small group

setting, parents can find encouragement, support, and community as they learn to trust God together in the midst of hardship.

Raising kids isn't getting any easier, especially with the introduction of insta-porn on electronic devices, the ease of access to drugs, and the ever-increasing blurring of sexuality. This study guide is for weary mothers, fathers, and guardians who are overwhelmed with their children's choices and the culture that wars against their souls.

For moms and dads with small struggles or weighty parenting trials—such as children involved with drugs, sexual sin, and teenage rebellion—this small group guide offers a place to begin conversations with other parents; seek community, Scripture, and prayer; and remember they aren't alone.

## Finding Peace, Hope, and Joy in the Psalms

George Robertson

How do you worship when you're depressed? Where do you find words to express inexpressible joy? What do you pray when you need hope?

*Soul Anatomy* is a biblical guide for working through emotional turmoil in a gospel-centered way. It shows how the Psalms serve as a God-authored script by which to express every category of the human experience.

The Bible's inspired hymnbook guides believers through the highest summits and lowest troughs of life and invites the not-yet believer to a Redeemer who ultimately experienced all of the emotions of these prayers in his incarnation.

Author George Robertson enables readers to find a sympathetic Savior in the Psalms who experienced every human emotion, and he helps men and women see the God-inspired vocabulary for expressing every feeling to the Father.

*Soul Anatomy* helps men and women respond to the love of God in all the ways the psalmists do: spiritually, vocationally, physically, and volitionally. As divinely inspired prayers, God offers the vocabulary he welcomes from us when we do not know how to pray.

Discover the heart of Jesus through the prayers of Jesus, the High Priest who can sympathize with us.

## Helping Kids Engage Their World for Christ

Ted Turnau, E. Stephen Burnett, and Jared Moore

Parents often feel at a loss with popular culture and how it fits in with their families. They want to love their children well, but it can be overwhelming to navigate the murky waters of television, movies, games, and more that their kids are exposed to every day.

Popular culture doesn't have to be a burden. *The Pop Culture Parent* equips mothers, fathers, and guardians to build relationships with their children by entering into their popular culture-informed worlds, understanding them biblically, and passing on wisdom.

This resource by authors Jared Moore, E. Stephen Burnett, and Ted Turnau provides Scripture-based, practical help for parents to enjoy the messy gift of popular culture with their kids. By engaging with their children's interests, parents can explore culture while teaching their children to become missionaries in a post-Christian world.

By providing realistic yet biblical encouragement for parents, the coauthors guide readers to engage with popular culture through a gospel lens, helping them teach their kids to understand and answer the challenges raised by popular culture.

*The Pop Culture Parent* helps the next generation of evangelicals move beyond a posture of cultural ignorance to one of cultural engagement, building grace-oriented disciples and cultural missionaries.

## Because Faith Is Hard

Shelby Abbott

*Is God good? Can I trust him with my life? Is the Bible true?* These are just some of the questions that can plague young adults as they stand at the crossroads of life, when new responsibilities loom large and the world around them treats God as a small or irrelevant part of life.

In *DoubtLess*, author and Cru campus minister Shelby Abbott comes alongside young adults to help them honestly face their doubt and turn to God for the gift of faith. He reminds readers that Scripture recounts the stories of many men and women who have also faced deep misgivings and uncertainty in their walk of faith. Using both Scripture and personal illustrations, Abbott shows us how to “feed our faith” in seasons of doubt through authentic relationships with other Christians, hearing from God in the Bible, and practicing

thankfulness. Doubt should not scare us, nor should it become our obsession. He urges readers to see the difference between doubt and unbelief, assuring us that big questions can press us deeper into the heart and character of God rather than push us away from him.

# Caring for the Souls of Children

## A Biblical Counselor's Manual

Amy Baker

Coming alongside struggling children can feel like an uphill battle. Counselors and parents mistakenly believe children somehow need different answers to life's problems than adults need—but Christ is always the way.

Children struggle with the same desires adults struggle with, are lured by the same lies adults fall prey to, and can find hope in the same source adults can find hope—in our Lord and Savior.

In this manual for biblical counselors, men and women will learn how to help struggling children with the hope found in our Redeemer as presented in the Word of God. *Caring for the Souls of Children* equips counselors, parents, pastors, and anyone else who wants to

love children with the hope of Jesus to boldly trust in the sufficiency of Scripture.

Rather than relying on different methods to reach children, this manual helps counselors share the truth of Christ—the way, the truth, and the life—all while tailoring interactions and teachings to the understanding of children.

Edited by counseling professional and author Amy Baker, this in-depth resource offers the biblical wisdom and practical insights of contributing authors who are experienced in biblical counseling for children.

# Table for Two

## Biblical Counsel for Eating Disorders

David & Krista Dunham

*Table for Two* is the redemptive, compelling, and personal journey of a husband and wife navigating the bondage of an eating disorder to find increased freedom because of God's grace and his Word. Individuals suffering from an eating disorder—and loved ones walking alongside them—will find practical help, hope, and encouragement in David and Krista Dunham's story.

Krista Dunham suffered from an eating disorder for over ten years and, by God's grace and through biblical counseling, overcame it. In *Table for Two*, she shares her experience, describing what she did, what she needed, and what proved helpful in changing. In conjunction with her insights, David shares what he did, how he failed, and what he learned along the way as a biblical counselor that proved helpful to Krista.

Those suffering from an eating disorder often feel crazy and misunderstood. They struggle feeling alone, afraid, and ashamed to tell those closest to them. Their loved ones also feel helpless and ill-equipped to care for them. Within this dynamic, hurt, disappointment, and neglect often thrive.

By providing information about eating disorders, adding personal narratives, and including interactive exercises for helpers and those suffering from eating disorders to do together, *Table for Two* fosters a sense of community and compassion for struggling families.

This powerful, inspiring book reveals an intimacy beyond personal stories of struggle told through a biblical counseling lens; it highlights the close-knit relationship of husband and wife and a home life where one person struggles with an eating disorder.

## Helping Children Appreciate Their Bodies

Justin & Lindsey Holcomb

Illustrated by Trish Mahoney

Bodies can be confusing and sometimes embarrassing to children. But with this simply told, beautifully illustrated children's book by Justin and Lindsey Holcomb, parents can teach kids the truth about how God made their bodies in his image—and the human body is good.

One day, a group of students and their teacher travel to a zoo safari park to learn all about the different animals. During a fun Jeep ride around the park, the guide shares fascinating information about lions, rhinoceroses, elephants, buffalo, and more, pointing out distinctive characteristics and information about each animal's body and how those qualities make the animals special. The teacher helps the children reflect on their own body image and how they were created uniquely in God's image.

A part of the God Made Me series, *God Made Me in His Image* invites young children to ponder the doctrine of creation, learning

how God made them in his image and how truth influences the ways they think and feel about their bodies.

This powerful, colorful book addresses the topic of body image from a Christian perspective, to help children understand their feelings, provide information about the topic, and offer extensive, practical strategies to parents. Letters and notes to parents or caregivers are included in the back of the book to help facilitate discussion.

**Justin Holcomb, PhD**, is an Episcopal priest and professor of theology and apologetics at Gordon-Conwell Theological Seminary and Reformed Theological Seminary. # Buster Tries to Bail

## When You Are Stressed

David and Nan Powlison

Illustrated by Joe Hox

This colorful, beautifully illustrated children's book invites children ages three through eight into Buster Bunny's world to learn alongside him how to bring his worries and stress to Jesus.

Buster loves racing, but the more he thinks about the upcoming race at the county fair, the more stressed he gets. No matter how hard he trains, he can't eat or sleep, and eventually he decides he wants to quit running. Buster's parents talk with him about quieting the noise in his head so he can listen to Jesus instead of all his worries.

Parents and children will learn concrete, grace-based ways to deal with stress. Based on David Powlison's minibook *Stressed Out* and edited by Nan Powlison, *Buster Tries to Bail* ends with a special section that guides parents in teaching their children to respond with faith when worries take hold in their hearts.

*Buster Tries to Bail* is part of the Good News for Little Hearts series, bringing gospel help and biblical counsel to families. Based on CCEF's model of hope and help, each story focuses on an animal

family's real-life issues, encouraging young readers toward a growing relationship with Jesus in the midst of challenging circumstances.

By providing biblical help and hope to issues every child faces through vivid illustrations and a story based on a different animal family, even the youngest child will be engaged. Each story offers practical ways to follow Jesus in difficult situations. Instead of a moralistic message, young readers are encouraged to develop a real relationship with the God who cares for them.

**David Powlison, MDiv, PhD**, (1949–2019) was a teacher, counselor, and the executive director of the Christian Counseling & Educational Foundation (CCEF). He wrote many books and minibooks, including *Speaking Truth in Love*; *Seeing with New Eyes*; *Power Encounters: Reclaiming Spiritual Warfare*; *The Biblical Counseling Movement: History and Context*; *Good and Angry: Redeeming Anger, Irritation, Complaining, and Bitterness*; *Making All Things New: Restoring Joy to the Sexually Broken*; and *God's Grace in Your Suffering*. David was also the editor of *The Journal of Biblical Counseling*.

# Halle Takes a Stand

## When You Want to Fit In

Paul David Tripp

Illustrated by Joe Hox

This colorful, beautifully illustrated children's book invites children ages three through eight into Halle Hedgehog's world to learn alongside her how Jesus gives her courage to take a stand against meanness.

Halle Hedgehog has a group of school friends she sits with at lunch and plays with at recess. One day, the whole group excludes another girl and decides to be mean to her. This bothers Halle, but she doesn't say anything because she doesn't want to be excluded, too. Halle's teacher, Mr. Owl, talks to her about who she really needs to fit in with, and how she can speak out against bullying because Jesus is with her.

Parents and children will learn concrete, grace-based ways to deal with the pressures of fitting in. Edited by Paul David Tripp, *Halle Takes a Stand* ends with a special section that guides parents in teaching their children to respond with faith when fear or the overwhelming desire to fit in takes hold in their hearts.

# Our Divorce Didn't Work Out

## Discovering Healing on the Other Side of Pain

Traylor & Melody Lovvorn

Do you have a painful story? Maybe you're living one right now. Traylor and Melody Lovvorn know God uses painful stories—even broken marriages and families—to make himself known and introduce his wonderfully scandalous grace.

*Our Divorce Didn't Work Out* is the personal story of Traylor and Melody Lovvorn, who were married for eleven years before Traylor's secret struggle with pornography and sexual sin ripped their family apart.

Melody was left to pick up the pieces of her husband's betrayal when their children were five, four, two, and six months old. After six years of divorce, God brought about a miraculous restoration, and Traylor and Melody remarried, discovering true healing and intimacy on the other side of pain.

Through this inspirational, powerful book, the Lovvorns share biblical wisdom and hope for a painfully redemptive story. By revealing their own challenging journey, men and women can look at the hurt in their own stories with fresh eyes to see how God is at work in their pain.

Shame works to keep us alone and isolated, and it pushes us away from healing community. Through examples in *Our Divorce Didn't Work Out*, the Lovvorns lovingly guide readers to reinterpret stories from their past and identify the faulty messages they have believed to be true about themselves, about God, and about the world around them.

# God Made Me for Heaven

## Helping Children Live for an Eternity with Jesus

Marty Machowski

Illustrated by Trish Mahoney

Children often picture heaven as a place where everyone floats around a sky of white, puffy clouds, playing harps and singing. This beautifully illustrated children's book by best-selling author Marty Machowski shows how the Bible depicts a very different heaven than the one many of us imagine.

Machowski explains how God doesn't just welcome "good" people into heaven; he welcomes sinners into heaven. *God Made Me for Heaven* points to a God who will re-create our earth for us to enjoy and live with us here forever.

Told through the perspective of a grade school boy to his preschool brother, this picture book includes a gospel presentation and speaks truth in simple language kids can understand. In this new release in the *God Made Me* series, Machowski helps parents and caregivers

have life-changing conversations with children about how we will be with Jesus when we die—and how we can long for and anticipate Christ's return.

*God Made Me for Heaven* invites children to understand that God made each person for heaven and provided a way through his Son, Jesus, to get there. Soon, he will return to recreate the earth, end sin and suffering once and for all, and come to live with us forever.

Included in the back of the book is a special section just for parents and caregivers that provides biblical guidance and help as they have this important conversation with children.

# God Made Me for Worship

## Helping Children Understand Church

Jared Kennedy

Illustrated by Trish Mahoney

*God Made Me for Worship* (a part of the God Made Me series) by Jared Kennedy helps children understand the complexity of a Christian worship gathering by using the vision of Isaiah 6. This beautifully illustrated children's book celebrates how God reveals himself to his people in the movements of worship.

Sitting in a worship service for any young child can be a difficult experience. One minute everyone is singing loudly, the next everyone is sitting and listening quietly (without talking!). Sometimes the adults know something that should be said out loud, like, "Thanks be to God!" How did they know what to say? How do people know when to talk to one another and shake hands?

*God Made Me for Worship* focuses on teaching kids about the key liturgical movements in a worship gathering, including the call to worship, praise and adoration, confession, assurance and passing the peace, ministry of the Word and sacraments, and benediction and sending.

Kennedy guides parents to help their kids understand why we're intentional about worship, encouraging them to engage—not just to manage behavior during a worship gathering, but to invite kids to respond to God along with the whole church body.
